MINUTES OF THE EXECUTIVE SESSION OF OCTOBER 16, 2006, THE
REGULAR SESSION OF OCTOBER 16, 2006 AND THE EXECUTIVE SESSION
OF NOVEMBER 6, 2006 were approved as written on MOTION by Dr.
Charles Lehrman. Affirmative vote was unanimous.

TREASURER’S REPORT: The Treasurer’s report was approved on
MOTION by Dr. Thad Scholes. Affirmative vote was unanimous.
6. Graydon Stanley introduced Student Body President Angela Essma and Student Body Vice President Bruce James who presented the 2006-2007 Student Senate goals to the Board. Mr. Stanley noted that this was probably the best group of students he had worked with in his twenty two years of advising the student senate.

7. Curtis Eaton introduced Colin Randolph, Director of Financial Aid. Colin Randolph reviewed the various financial aid programs and trends over the last several years. He noted that our federal loan default rate had decreased from 15.7% in fiscal year 1996 to 9.9% in fiscal year 2004.

The Board commended Mr. Randolph and the financial aid office on their work.

8. Randy Dill outlined the location for the new softball field which was one of two sites the Board had suggested. He advised the Board that we come back to the Board with more details concerning the project scope and budget now that we had specifically identified a location.

9. Randy Dill showed the Board the proposed signage for the Falls Avenue entry way. He noted that we had purchased the brick and that the project would not start until the entry way was completed in the spring of 2008.

10. President Beck reported the following:
    a. The differential fee for professional technical education was discussed at the last President’s Council.
    b. Significant progress has been made in the selling of signs in the gym. He is now working on getting the signs sold on Walker field.
    c. Ninety six percent of the reserve seats in the gym have been sold.
    d. Governor Risch announced support for our new nursing building. This was the top priority in our Permanent Fund Building Council request.
    e. We graduated eighty four registered nurses and fifty four licensed practical nurses last year. Our number one decision unit in our fiscal year 2008 budget request is for $250,000 to continue to expand our nursing program.
    f. The new employee orientation last month had approximately thirty new staff in attendance.
g. Curtis Eaton was commended for the "Keys to Success" campaign the College of Southern Idaho Foundation ran to purchase furniture for the Fine Arts lobby.

h. Final proposed legislation from the interim committee involved approximately twenty new bills for consideration.

i. Dr. Buettner was credited by Dr. Beck and the Board for the tremendous success of the nursing programs.

11. Chairman Craig and the Board congratulated and thanked Donna Brizee and Dr. Frost on their election and continued service to the College.

12. Chairman Craig noted that the Legislative Interim Committee was significantly impressed during their visit to the campus and that this resulted in some of the favorable legislation coming out of the committee concerning community colleges.

ADJOURNMENT was declared at 7:12 p.m.

Re: Board Reorganization

In accordance with Idaho Code 33-2106, the Board must reorganize after every election. The current positions are as follows: LeRoy Craig - Chairman, Dr. Charles Lehrman - Vice Chairman, Donna Brizee - Clerk, Dr. Thad Scholes - Trustee, Dr. Allan Frost - Trustee and John M. Mason - Secretary/Treasurer.

In the past the Board has not officially designated a representative to serve on the College of Southern Idaho Foundation. Donna Brizee is currently serving as the Trustee representative on the Foundation Board. It is my recommendation that the Board officially appoint a Trustee to serve on the College of Southern Idaho Foundation Board each time the Board is reorganized.

If you have questions or need further information, do not hesitate in contacting me at 732-6203.

Re: Paint Booth Bid

We received one bid for the specified paint booth. Based upon a review of the bid by Randy Dill and Allen Scherbinske, it is my recommendation that we accept the sole bid of Sawtooth Sheet Metal of Twin Falls, Idaho in the amount of $71,118.00 for the specified equipment.

The paint booth will be located in the Canyon automotive lab and will replace the existing paint booth that was moved over from the Kimberly Road site.

Funding for this purchase is from Professional Technical funds.
