

Programs with Additional Admission Requirements

CSI Professional-Technical Education (PTE) programs have additional program admission requirements. In order to declare a PTE program as an active major, students must be admitted into the program. If your current declared major is on the list below, but you have *not* been admitted into the program, you must do one of the following:

1. Meet with your advisor to complete the PTE program admissions process, or:
2. Meet with your advisor to ensure your major reflects your CURRENT course taking behavior.
