

**COMMENTS FROM STUDENTS ABOUT HONORS
CORE CLASSES**

“I truly enjoyed taking the honors core classes. I felt that they provided me with more in-depth study options than the standard class would provide. I would recommend these classes to anyone who wanted to get more than credits out of a class.”

“Loved COMM 101! It’s more in-depth, but not more work just because it is an honors course.....and all of the students wanted to be there. What a great environment. Thanks!”
