<b>Total</b>	<b>8,545</b>	<b>24,817</b>	<b>4038.49</b>

Unduplicated headcount includes unique students taking coursework at each center; however, 804 students are taking courses at two or more of the specified sites and are counted for each site. Enrollments and FTE include the sum of all student enrollments and FTE accrued at each site.

Dual credit students are included in off-campus center totals, whereas the bulk of in-district dual credit students are included in the "Twin Falls Off-Campus" counts.
