Dear «First_Name»:

This past year you participated in a grant awarded to The College of Southern Idaho and ARTEC by the National Science Foundation/Advanced Technological Education initiative in 2004. As a part of that grant, the participants of the Internship opportunity are being asked to evaluate that experience.

We are asking you to fill out the attached survey and email it back. If you prefer to be anonymous, email us at cmajor@csi.edu or tschwarz@csi.edu and we will mail you the survey.

Thank you for sharing with us.
