Southern Idaho 2004
EMS Conference
Twin Falls, Idaho
EMS “Outside the Box”

Friday & Saturday • November 12 & 13, 2004

Sponsored by the College of Southern Idaho • Co-Sponsored by the Idaho EMS Bureau

Nationally Recognized Keynote Speakers and Session Presenters Include:
Bryan Bledsoe, D.O. • Howard Rodenberg, M.D. • William Kokx, D.O.

Bryan Bledsoe, DO, FACEP is an emergency physician and EMS author. He has served as the Medical Director for two hospital emergency departments, as well as for numerous EMS agencies in north Texas. He is the author of numerous EMS textbooks, including Essentials of Paramedic Care and Anatomy and Physiology for Emergency Care.

Howard Rodenberg, M.D., MPH, dip (FM) is director of the Volusia County, Florida Health Department. He has previously served as medical director for Alachua County EMS and ShandsCair Flight Program at the University of Florida. He has edited or contributed to six textbooks, authored multiple articles, and spoken frequently to national and international audiences on pre-hospital and air medical care.

William Kokx, DO, FACEP is a full-time Emergency Physician at Memorial Medical Center of West Michigan. He began his career as a volunteer EMT in 1977. Throughout his career he has practiced in Michigan and Florida and has done medical mission work in Panama and Honduras. Along with his clinical practice, he has also served as an EMS medical director.
