COLLEGE OF SOUTHERN IDAHO STRATEGIC PLAN 2016-2021

OUR VISION

To improve the quality of life of those impacted by our services.

OUR MISSION

To provide quality educational, social, cultural, economic, and workforce development opportunities that meet the diverse needs of the communities we serve.

(Approved by CSI Board of Trustees; 1/2016)

DEFINITIONS OF MISSION TERMS

<u>"Provide quality...opportunities that meet...the diverse needs"</u>: This phrase is operationally defined within the document. Demonstration of mission fulfillment is based upon our ability to meet the performance indicators, benchmarks, and targets established in this document. These have been created to establish standards of quality that can be regularly assessed to ensure that we are providing quality opportunities that meet the diverse needs of the communities we serve.

<u>"Educational"</u>: Relating to activities typically encompassed by teaching and learning.

"Social": Relating to the welfare of human beings as members of society.

"Cultural": Relating to the customs, traditions, and values of a society.

"Economic": Relating to economic development and economic welfare.

"Workforce Development": Relating to the training of a qualified workforce.

"Communities we serve": The communities we serve include the diverse populations of students, employees, and community members impacted by the college. These communities can be organized in many different ways. They include those living in our eight county service area as well as those who interact with the college from afar. They can also be organized by any number of demographic characteristics which transcend geographical boundaries.

DEFINITIONS OF PLAN TERMS

<u>Core Themes:</u> Individually, core themes manifest the essential elements of our mission and collectively they encompass the mission. They represent the broad themes that guide planning processes designed to lead to mission fulfillment.

<u>Objectives</u>: Planning goals contained within each core theme that collectively lead to fulfillment of the core theme.

<u>Strategies</u>: Specific action items contained within each objective that guide the college toward fulfillment of the objective.

<u>Performance Measure Indicator:</u> A quantitative or qualitative indicator used to measure progress in meeting strategies, objectives, core themes, and ultimately, mission fulfillment.

<u>Critical Success Activity:</u> A specific action item that must be completed in order to reach fulfillment of a strategy, objective, or core theme.

<u>Benchmarks/Targets</u>: Targets established by the college in an effort to assess achievement, track progress over time, and set goals for improvement.

Core Theme 1: Community Success

As a community college, we are committed to responding to the diverse needs of the communities we serve and to taking a leadership role in improving the quality of life of the members of those communities.

- Objective #1: Strengthen the social fabric in the communities we serve
 - Sample potential strategic areas of focus: Involvement with and support for various programs that strengthen the social fabric of our communities; quality performing arts and cultural facilities and programs; support for community cultural partnerships; recognizing and responding to the increasing diversity of our communities; community enrichment offerings; programs with a specific focus on underserved or high-risk populations; providing opportunities for community discourse; educational outreach to the community; quality athletic programs; access to CSI facilities for community activities; alignment of off-campus centers with community needs; health and wellness
- Objective #2: Cultivate economic partnerships across the communities we serve
 - Sample potential strategic areas of focus: Involvement with and support for economic development groups; economic partnerships with state, regional, and national agencies and organizations;
- Objective #3: Meet the workforce needs of the communities we serve
 - Sample potential strategic areas of focus: Offer flexible and customizable workforce training opportunities; increase the number of STEM graduates to meet workforce needs; promote K-Career and post-secondary career awareness and training

Core Theme 2: Student Success

As an institution of higher education, we exist to meet the diverse educational needs of the communities we serve. Above all institutional priorities is the desire for every student to experience success in the pursuit of a quality education.

- Objective #1: Foster participation in post-secondary education
