COLLEGE OF SOUTHERN IDAHO
COMMUNITY COLLEGE DISTRICT
BOARD OF TRUSTEES MEETING
OCTOBER 16, 2000

CALL TO ORDER: 5:30 p.m. PRESIDING: LeRoy Craig

ATTENDING: Trustees: LeRoy Craig, Dr. Charles Lehrman,
Bill Babcock, Donna Brizee and Dr. Thad Scholes

College Administration: Gerald Meyerhoeffer, President
John M. Mason, Secretary/Treasurer
Robert Alexander, College Attorney
Dr. Jerry Beck, Vice President of Instruction
Dr. Joan Edwards, Vice President of Planning and
Development
Dr. DeVere Burton, Instructional Dean
Dr. John Martin, Registrar
Dr. Ken Campbell, Dean of Technology
Graydon Stanley, Director of Student Information
Ron Shopbell, Director of Dual Credit
Jeff Duggan, Assistant to the President
Karen Baumert, Public Information Director
Doug Maughan, Herrett Center/Public Information
Director

CSI Staff: Barbara Knudson, Louise Flowers, Rod
Pooler, Henry Jones, Don Buettner and Ned Vaughn

Visitors: Jerick Gonzales and Aubrey Stout

Faculty Representative: None

Times News: Jennifer Sandman

MINUTES OF THE REGULAR SESSION OF SEPTEMBER 18, 2000 were
approved as written on MOTION by Dr. Thad Scholes.
Affirmative vote was unanimous.

TREASURER'S REPORT: The Treasurer's Report was approved on
MOTION by Dr. Charles Lehrman. Affirmative vote was
unanimous.

BIDS:

1. The Board accepted the bid of Conner Creek Computers of Burley, Idaho in the amount of \$88,057.00 for seventy-three computers on MOTION by Bill Babcock. Affirmative vote was unanimous.

Funding for this purchase is from departmental budgets.

PRESIDENT'S REPORT:

1. The Board reviewed the Head Start Child and Adult Care Food program.

2. The Board approved the Herrett Center mission statement on MOTION by Dr. Thad Scholes. Affirmative vote was unanimous.

3. The President advised the Board that the American Veterinary Association awarded our veterinary technician program full accreditation through December 31, 2001.

4. Student senators Jill Stuart and Christy Bowman placed first in the College of Southern Idaho Golden Eagle Invitational speech and debate tournament. The competition involved both two year and four-year schools.

5. Graydon Stanley reported on visits he had made to other schools and their student service facilities. He noted that a common thread among the schools were student spaces dedicated to students. He also said that the services for registration were located with counseling, financial aid and cashiering.

Associated Student Body President Jerick Gonzales and Vice President Aubrey Stout spoke in favor of the construction of a new student union building.

Ned Vaughn reported on the student services and facilities available on campuses he visited in Iowa. He noted that each campus had collocated services for student convenience. He also advised the Board that we needed to look at an advising center.

Dr. Lehrman advised the administration to look at the Snow College Student Union Building.

5. (continued) Dr. Thad Scholes asked if the student health center would move to the proposed building. Graydon Stanley stated that, due to confidentiality, most health centers were separate.

Jerick Gonzales advised the Board that he believed students would support a fcc increase of up to \$50 per year to build the new student union building.

6. Dr. Joan Edwards reported on the College of Southern Idaho planning retreat held earlier in October. The Board thanked Dr. Edwards for her work in this area.

7. The President advised the Board that they would be able to tour the Aspen Addition during the November Board meeting. He also stated that the Fine Arts Addition was in the construction document phase.

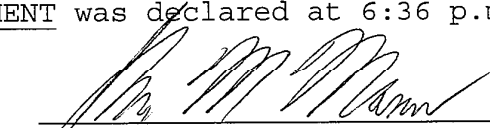

The Board approved the removal of the entryway design on the Fine Arts Addition on MOTION by Donna Brizee. Affirmative vote was unanimous.

The Board requested information on the number of trees to be taken out during construction and if the classroom addition on the south side was brick.

8. The President advised the Board that the Idaho Association of Cities and Counties was putting together its legislative platform. The presidents were working with IACI to gain support for higher education.

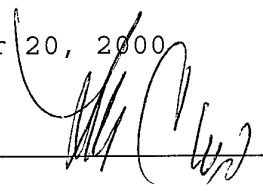

9. The Board generally supported and agreed to take any request for additional property along Washington for the purpose of bike lanes under advisement. More detail on the proposal is needed.

ADJOURNMENT was declared at 6:36 p.m.

John M. Mason, Secretary-Treasurer

APPROVED November 20, 2000

Chairman

SOUTHERN
IDAHO

October 16, 2000

To: President Meyerhoeffer and the College of Southern
Idaho Board of Trustees

From: Mike Mason

Re: Computer Bid

As the attached tabulation sheet indicates, we received six bids for the specified computers. We rejected the low bid due to the proposed motherboard not meeting our specifications.

Based upon a review of the bids by Dr. Ken Campbell and Gary Baum, I recommend we accept the bid of Conner Creek Computers of Burley, Idaho in the amount of \$88,057.00 for seventy-three computers in 40 different configurations.

We also request the Board approve additional purchases from this bid for up to ten more computers.

The second attached list indicates to whom the computers are being assigned.

Funding for the computer purchases are from budgeted departmental funds.

October 4, 2000 Computer Bid

Venders	Multiwave	Connor Creek Computers	PC Open, Inc.	micronpc.com	Kingdom Computers

Public Release:

THE CHILD AND-ADULT CARE FOOD PROGRAM
(FY01)

Today the College of Southern Idaho / South Central Head Start announced its sponsorship of the USDA Child and Adult Care Food Program. Meals will be made available to enrolled children at no separate charge; without regard to race, color, disability, age, gender, religion, or national origin. Persons who believe they may have been denied equal opportunity for participation may write to the USDA, Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence, Washington, D.C. 20250. Parents' Income determines the amount of money USDA will reimburse us to provide meals to enrolled children. The income eligibility guidelines listed below are used to determine our reimbursement from USDA. Children from households whose monthly income is at or below these levels are eligible to be counted for free or reduced-price meal reimbursements.

MONTHLY INCOME ELIGIBILITY GUIDELINES

Family Size	Free	Reduced
1	905	1,288
2	1,219	1,735
3	1,533	2,182
4	1,848	2,629
5	2,162	3,076
6	2,476	3,523
7	2,790	3,970
8	3,104	4,417
For each additional family member	+315	+448

Meals will be provided at: (List names and address of all sites.)

*College of Southern Idaho
Herrett Center for Arts and Science*

TO: President Meyerhoeffer

FROM: James C. Woods, Director

DATE: October 13, 2000

SUBJECT: Museum Accreditation

Attached is a letter I sent to the AAM requesting an extension on our response to their accreditation review. I have been visiting with Char Hageman about Plan Builder in anticipation that it will be useful in helping me design a institutional plan tailored for the Herrett Center and matching the goals and objectives of the college. I anticipate they will approve this extension.

You will note that item #2 involves formal adoption of our Herrett Center Mission Statement by the CSI Board of Trustees. I have attached to this memo a copy of our Mission Statement. Would it be possible for you to get formal approval at one of the next three Board meetings? I would be pleased to address any revisions you or the Board may suggest regarding the Herrett Center mission statement.

Thank you very much.

October 13, 2000

Kia L. Dorman, Administrative Assistant
Accreditation Commission
American Association of Museums
1575 Eye Street NW, Suite 400
Washington DC 20005

Dear Ms. Dorman,

I am writing in response to your recent phone call pertaining to our narrative report addressing shortcomings in our recent AAM Accreditation Self-Study. The Accreditation Commission found three areas in our self-study in need of improvement including:

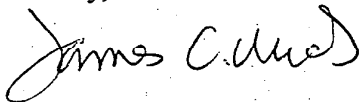

- 1) A need to more formally address our institutional planning.
- 2) Formal adoption by the College Board of Trustees of our Herrett Center mission statement.
- 3) Correction or clarification of certain language appearing in our code of ethics.

The third item has been resolved, the second item will be resolved at a forthcoming CSI Board of Trustees meeting. The first item, however, is somewhat more complex and will require a few more months to resolve adequately. Being part of a larger educational institution, we are hopeful to have the institutional plan for the Herrett Center complement that of the College of Southern Idaho. To this end, we have been communicating with our Office of Planning and Development which recently secured the services of Worksoft, Inc., to provide installation and training of their institutional planning software called Plan Builder IV. Our goal is to work with the college administration and members of our Herrett Center Advisory Committee to adopt an institutional plan that both meets our host institution needs as well as addresses the expectations outlined in the AAM guidelines adopted March 15, 1999, using Plan Builder IV as a vehicle for this document.

Therefore, I am hereby requesting an extension of our deadline to December 29, 2000. This extension will allow sufficient time for us to insure institutional planning for the Herrett Center coordinates well with that of our mother institution.

Thank you for considering this request.

Sincerely,

James C. Woods, Director

The Herrett Center for Arts and Science

College of Southern Idaho

315 Falls Avenue P.O. Box 1238 Twin Falls, ID 83303-1238 (208) 733-9554, x2655

Accredited by the American Association of Museums

HERRETT CENTER MISSION STATEMENT

The Herrett Center for Arts and Science is a non-profit support service of the College of Southern Idaho. Its purpose is primarily educational, with emphasis on programs for elementary and secondary school students, CSI students, and the adult community of south-central Idaho. The major fields of interest for the Center include anthropology, natural science, and visual art.

The Center will function as a museum by collecting, preserving, and interpreting artifacts and natural history specimens with an emphasis on the prehistoric American continent. Collections will be preserved using contemporary archival standards. These collections will be presented to the public in the form of permanent or temporary exhibitions, lectures, symposiums, and publications. The Center will also support the Faulkner Planetarium which will provide multi-media presentations emphasizing space sciences. The state-of-the-art theater will also be used for public lectures, drama and musical performances, special events, and symposia. The Center will support the Jean King Gallery of Art which, in cooperation with the CSI Fine Art Department and the Associated Students of CSI, will offer exhibitions and other programs concerning contemporary art and art issues. The gallery will bring to the area exhibitions and supporting programs that expand community awareness of the visual arts. The gallery will also locate, recognize, and promote visual artists residing in Idaho.

The Herrett Center for Arts and Science will participate with other College of Southern Idaho academic and vocational departments in fulfilling the role and mission of the College of Southern Idaho*.

**CSI Mission Statement:*

"The College of Southern Idaho, a comprehensive community college, educates the diverse residents primarily of South Central Idaho and encourages them to lead full, effective lives in a changing world."

CSI STRATEGIC PLANNING RETREAT 2000

October 11 & 12
Soldier Mountain Resort

AGENDA

Wednesday, October 11, 2000

Coffee and Snacks

- 10:00 Introductions -- Overview of the Retreat (*Joan*)
- Introduction of topics to be addressed: (*Joan*)
 1. Developing a campaign to increase the number of graduates
 2. Analysis of our services for multicultural students
 3. Issues: State outcome measures, others?
 - Planning from the President's perspective; planning from the Planning Division's perspective; planning from the Academic perspective (*Jerry Meyerhoeffer, Joan, and Jerry Beck*)
 - Plan for improvement -- where we meet in the middle (*Rick Snider*)
 - Plan Builder (Q Builder) -- software for implementing strategic plans at the Unit Level (*Char Hagemann*)
- 10:30 Closing the planning gaps: integration. (*Doug Goodgame from Worksoft will give us a preview of Plan Builder*)
- 12:30 Lunch
- 1:30 What is on the horizon politically and competitively for CSI? Property tax, Ricks College, and planning a strategy to deal with both (*Jerry Meyerhoeffer and Jeff Duggan*)
- 2:15 Break
- 2:30 Developing a campaign to increase the number of graduates (*Char Hagemann*); data that supports the need (*Ken Campbell*)
- 4:00 Identification of issues raised by state outcome measures
- 6:30 Dinner

Thursday, October 12, 2000

- 7:30 Breakfast
- 8:00 Role playing of multicultural students' challenges
- 8:30 Discussion of Role Playing
- 9:00 Report and recommendations from the Multicultural Student Task Force (*Rosa Davila*)
- 9:40 Discuss issues related to state outcome measures
- 10:30 Break
- 10:50 Begin review of goals and objectives
- 12:00 Lunch
- 1:00 Craft new or altered goals and objectives
- 2:00 Adjourn

**COLLEGE OF SOUTHERN IDAHO
STRATEGIC PLANNING**

Planning Retreat Outcomes
October 11 and 12, 2000

Each year the planning council convenes a two-day retreat to evaluate our progress toward our goals and objectives and to develop new goals and objectives when appropriate.

Part of that process includes celebrating the success that we have had in accomplishing what we set out to do. In many cases that means that we are not through with the particular activity, but we have developed the new systems, policies, or procedures needed for the activity to thrive in our institution.

This year those objectives which we celebrate include:

- **Faculty Staff Development** -- resources made available for training and ongoing progress in our use of technology institution-wide
- **Facilities and Resources** -- resources for and realization of the Aspen Building expansion
- **Student Success** -- subcommittees' success in studying the implications of increasing the numbers of international and multicultural students on our campus. Their recommendations include creation of a new position, development of an intensive English course, and creation of a resource directory of multiculturally experienced contacts across campus.

This year there were no new goals (see attached), but *several new objectives were developed to facilitate reaching those goals*. They include:

□ **Goal #1 -- Quality**

Objective: CSI will study the e-learning environment to ensure that the coursework that we develop addresses quality and those populations needing improved access.

□ **Goal #2 -- Accountability**

Objective: CSI will take a leading role in promoting economic development across our eight-county region through the establishment of a regional workforce development center.

Objective: Develop a cross-institutional campaign to increase the number of graduates. (We are reworking the objective that states that we will increase the number of graduates by 5% a year to include the "institutional campaign" wording).

COLLEGE OF SOUTHERN IDAHO
GOALS AND INSTITUTIONAL OBJECTIVES
1999 to 2004

Each year new institutional objectives will be considered and added, and those accomplished will be retired. Those which were not accomplished within the time frame expected, but which are considered still important, remain on the list with initial target dates. **NOTE: All measurements beyond 2000 are projected figures.**

1. **Quality:** The institution will continuously seek *to improve* and to offer programs relevant to student and community needs with effective instruction and services by highly qualified faculty and staff utilizing up-to-date instructional and management technology.

- 1) By June 2002: *The section size (class load) will not exceed the average quality level of 15.5 for the technical division, and 21.5 for the academic division established in 1997.*

FY97	FY98	FY99	FY00
Tech 15.5 Aca 21.5	Tech 13.7 Aca 19.9	Tech 13.42 Aca 20.58	Tech 13.8 Aca 19.9

**State of Idaho Division of Professional-Technical Education Post-secondary Follow-up Summary Report 2000 on students completing programs during 1998/1999*

2. **Accountability:** The institution will evaluate institutional effectiveness on an ongoing basis to be accountable to all relevant customers and sponsors, accrediting agencies and funding sources.

- 1) 1999-2000: *Identify performance indicators important to the institution in determining our success.*

3. **Student Success:** The institution will improve its capability to serve the growing diversity among students [increased numbers of those who a.) require remedial work, b.) are more highly able students, and c.) are culturally diverse] through effective classroom instruction, improved student advising and comprehensive learning assistance programs, with the goal of improved academic success, retention, transfer and post-enrollment success.

- 1) *Study the implications and needs for attracting more multicultural and/or international students in terms of services we should offer, how we recruit, and what resources we need to implement the plan. Address these same issues relative to highly abled students as well.*
- 2) *Develop and implement a plan to improve advising with a sub objective of increasing graduation rates.*

4. **Faculty and Staff Development:** The institution will seek to provide increased opportunities for participation of all employees in staff development activities to enable faculty and staff to meet changing student and community needs and utilize new technology.

- 1) By spring 2001: *100% of the faculty will be involved in a professional development activity with an emphasis in technology. State Plan IV Technology, Goal 1, B.1 and C.5 and Goal 3, B.2 and C.3.*

Note: fall of 1997 a survey will be taken to determine the baseline.

- 2) Ongoing: *A minimum of 1% of the budget each year will be made available to faculty for research and development of alternative delivery of education using technology. State Plan VI Technology, Goal 1 C.1 and State Plan VII Instruction, Goal 3, C.4; Goal 3, B.2 and C.3; Goal 2, C.2.*

1%	1.2%	1.07%	1%	1%	1%	1%	1%

- 3) 1997-2001: *Focus on yearly professional development themes to create learning communities 98-99, Becoming a Learning College and Continuation of Outcomes Assessment and Futurist Views of Society, 99-2000, Advising and Outcomes Assessment (survey by Faculty and Staff Development Committee, 2000-2001, 2001-2002.*
- 4) 1997 - 2001: *Increase access to professional development for faculty, staff and administration.*

5. **Adequate Funding:** The institution will obtain the resources to remain competitive in acquiring and retaining talented faculty and to provide them with facilities and resources necessary for them to meet our quality standards of education.

- 1) By spring 1999: *Faculty salaries will reach a minimum of the mean level of like institutions located in the Rocky Mountain States, will be competitive with our peer institution in the state, North Idaho College, and will remain at that competitive level (Mountain States/CSI). State Plan VII Instruction, Goal 3, C.3.*

	FY97	FY98	FY99	FY00
Mt. States*	\$36,634	\$36,997	\$37,960	\$38,266
