Chairman
3. The Board approved the fiscal year 2006 meeting schedule on MOTION by Bill Babcock. Affirmative vote was unanimous.

4. Chris Bragg and John Hughes reported on the accreditation visit. The President stated that the commendations were in areas that we would want them to be and that the recommendations would be easy to address. The President and Board thanked Chris Bragg and John Hughes for their outstanding work leading the college through the accreditation process.

5. Randy Dill briefed the Board on the status of the recreation center project. The construction fence is up and earth work has started. The 24,832 square foot, 4.3 million dollar project is expected to be completed in mid-February of 2006.

6. The President discussed the proposed 5.5% tuition and fee increase with the Board. He noted that, even with this increase, our tuition and fees would be about the same as North Idaho College and about half as much as the public four year college and universities in the state.

Graydon Stanley introduced current Student Body President Magan Thom and incoming Student Body President David Chambers. Student Body President Magan Thom stated that she presented the proposed tuition and fee increase to the Student Senate. The Student Senate voted unanimously to send a resolution to the college administration supporting the increase. Ms. Thom said that the students wanted to continue to have small class sizes and to increase pay so we could retain good faculty.

The Board increased full time tuition and fees from $900 per semester to $950 per semester on MOTION by Dr. Thad Scholes. Affirmative vote was unanimous.

7. President Meyerhoeffer reported that the traditional 50/50 split of state appropriated funds between North Idaho College and the College of Southern Idaho would be changed in the fiscal year 2006 appropriation. Due to growth at the College of Southern Idaho, we will receive 50.8% and North Idaho College will receive 49.2% of the 2006 appropriation.

The future allocation method of state appropriations will be worked out by the community colleges over the next eight months and presented to the Idaho State Board of Education for review.
