Program Notes
Facilities
The Appraisal has come back for the West End facility. The next steps are to write a narrative as to what the program would like to do with the building. At this point we are leaning towards selling it. The proceeds may be used to purchase property to build on, purchase existing space if found or returned to the federal government.
The Hagerman School District has informed us that the classroom space that we have occupied for the last several years is no longer available. The simply have outgrown their school and need the classroom. We are going to move those slots back to Wendell where they originated from.

Transportation
The legal sealed bid process has begun for the program vehicles and busses we are liquidating. The opening will be on June 26.

June 18, 2018

TO:            President Fox and the College of Southern Idaho Board of Trustees  
FROM:          Jeff Harmon, Vice President of Finance & Administration  
RE:             Continuing Budget Resolution

Each year we ask the Board for a continuing budget resolution to allow us to operate on the previous year’s budget for July of the next fiscal year. While much of the budget work must be completed prior to issuing salary contacts in May, there are still several outstanding issues that preclude us from setting an accurate budget. The primary issues are listed below:

1. By July 1, we have pre-close out information to make projections on future expenditures;

2. We will not get the most current numbers from our counties for new construction dollar values until early July. We need those numbers to certify our property tax assessment.

Based on the above, I respectfully request the Board approve a continuing budget resolution for July 2018 until our fiscal year 2019 budget is set.
