## That In-Demand Feeling

Look over in-demand jobs in Idaho, then find an Idaho LAUNCH program and training provider that fit what you want to do.

## The Funding Details

This grant covers 80% of the tuition and fees at an eligible institution, up to a maximum of \$8,000. Up to half of the initial grant is available in the first year of a program. For programs that take less than 12 months, students can use the full awarded amount in the first year.
