GENERAL EDUCATION CORE COURSES

Idaho's General Education III.N Policy establishes six statewide GEM (General Education Matriculation) competency areas, comm only referred to as Ways of Knowing": Oral Communication, Written Communication, Mathematical, *Scientific, *Humanistic & Artistic, *Social & Behavioral.
These courses are designed to be accepted and transferable between all participating Idaho Higher Education Institutions.
In addition, a seventh category, "Institutionally Designated/Specific," which includes our GNED 101 & WELL courses, are required for most degree programs.

*Selections must be from 2 different disciplines - in other words, the four-letter codes must be different.
(For example, in the Humanistic & Artistic section, you CANNOT count two ARTS classes for that Ways of Knowing section.)*

Course Scheduling Planner

Setting up an ideal class schedule can be tricky. Before filling out your semester time schedule, take time to mark off the days and hours already committed to work and other obligations such as family travel time and recreation. Keep in mind the study time and work formulas outlined below when selecting the number of classes you will take.

If you work:	40 hours/week	30 hours/week	20 hours/week	5-15 hours/week
Take no more than:	6 credits	9 credits	12 credits	14-16 credits
