# April

We hope you had a restful and rejuvenating spring break! We have FAFSA events coming up this month and are encouraging all students attending postsecondary school to complete the FAFSA. Please see details below on when these events will be, and don't hesitate to reach out to your Early College Coordinator if you'd like help planning a FAFSA event specifically for your school! We also have advising days beginning this month and are looking forward to meeting with students and helping them get registered for Fall. Students will receive information on their financial aid progress during the appointment as well. Happy April all!
