Welcome to the College of Southern Idaho’s Dual Credit Program, a NACEP (National Alliance of Concurrent Enrollment Partnerships) member. CSI is one of hundreds of accredited NACEP institutions in the United States, which provides academically ready students the opportunity to take college level courses while in high school. This handbook is designed to help students and parents learn the Dual Credit process and will provide answers to commonly asked questions regarding Dual Credit.

The key to Dual Credit success is to follow the clearly outlined steps in the handbook. Please be aware your enrollment and future federal financial aid funding could be delayed or negatively impacted if you fail to complete all the steps contained in this handbook.

We look forward to helping you meet your educational goals and connecting you to CSI after high school graduation. Our offices are located upstairs in the Taylor Building room 272 and we can be contacted at dualcredit@csi.edu or at 208-933-2320.

We wish you a great start to your Dual Credit experience with CSI!
• Earn college credits that lead towards the Academic Certificate or college degree, while in high school.
• Save money on your college education with State of Idaho Advanced Opportunities funding.
• After you graduate high school, easily transition to continue your education at CSI.

• CSI Dual Credit general education courses will transfer to Idaho public postsecondary institutions accredited by a regional accrediting agency recognized by the U.S. Department of Education.
• Early exposure to the college experience may help you stay on track with your college goals.

• Take purposeful courses which satisfy requirements for your intended major. Meet with an advisor or counselor!
• Meet Dual Credit deadlines to ensure you enroll successfully.
• Take Dual Credit courses seriously, as the grade you earn will be recorded on your college transcript.

• Failing a Dual Credit course will negatively affect your CSI Academic Standing and future federal Financial Aid Advanced Opportunity eligibility (which includes Fast Forward dollars).
• On-campus courses (face to face or online) have additional costs that are not covered entirely by Fast Forward funding, so budget wisely.
• Ask for help.
CSI Email and Canvas are important tools for your success at CSI. Become familiar with these services to keep the lines of communication open between you and CSI.

Use your CSI Email when communicating with CSI offices. After you register for your courses, follow the instructions & activate your account.

Some instructors will require students to use Canvas. Follow these instructions to login to your Canvas account.

Example:

Dear [Student],

Congratulations! We are pleased to inform you of your acceptance to the [College Name] Dual Credit Program! Please be sure to read this entire email for deadlines and important next steps.

Here’s your CSI STUDENT ID NUMBER: [Student ID]

Check the email address you provided in the admission application for your acceptance letter.

Login information for Canvas & Email is the same as your MyCSI login information, which is emailed to you.

- Username: Your CSI email address
- Default Password: Your eight-digit birthday (MMDDYYYY)
- Courses & enrollments are imported directly from our student information system, after you have registered.
- If you have difficulty logging into any of your CSI accounts, you can contact the CSI Helpdesk at Helpdesk@csi.edu or call 208-732-6311.
The following steps will ensure you complete the Dual Credit enrollment processes successfully. Please note specific page numbers are listed next to each step which you can refer to for detailed information.

### Advanced Opportunities Account Setup

- **Step 1**
  Create a Student Advanced Opportunities Fast Forward Account. (Page 13)
  This step may be done by your high school. Please check with them before creating your account.

### CSI Enrollment Checklist

- **Step 1**
  Contact your Early College Coordinator for assistance every semester/trimester. Early College Coordinators can help you with the following: (Page 15-16)
  - Admission
  - Registration
  - Advising
  - Advanced Opportunity Fast Forward Funding

- **Step 2**
  Create your DualEnroll account online at csi.dualenroll.com (Page 8)
  - Click on the words “Click here” to create your account.
  *Students with existing DualEnroll login see page 8 for instructions.

- **Step 3**
  To complete the Dual Credit admissions process you will login to your DualEnroll account. (Page 8-9)
  - You will: complete the admissions application, agree with the Terms of Admissions, provide contact information for your Parent/Guardian and confirm your high school information.

- **Step 4**
  If required, submit placement documentation to the CSI Admissions Office. (Page 14)
  - ACT/SAT scores
  - Math courses use the CSI Self-Guided Math Placement
  - English courses use The Write Class
  - Official high school/college transcripts
  - Alternative Credit

- **Step 5**
  Register for your CSI Dual Credit courses through your new DualEnroll account. (Page 10)

- **Step 6**
  Login to your MyCSI account to confirm accuracy of your schedule. (Page 12)

### Final Steps

- **Step 1**
  Review billing and payment information. (Page 21)

- **Step 2**
  Familiarize yourself with the CSI Catalog to learn more about college policies and procedures. (Page 17)
  - You can find the catalog online at www.csi.edu/catalog

- **Step 3**
  Learn about CSI technology tools. (Page 6)

- **Step 4**
  Understand milestones to Dual Credit Academic Success. (Page 33)

- **Step 5**
  Read through the Parent Toolbox. (Page 23)

- **Step 6**
  Finalize Next Steps to Attending CSI after high school graduation. (Page 30)

- **Step 7**
  Your voice is important! We value your feedback on the courses you take at CSI. Please complete the course survey, evaluating the course and the instructor once your course is complete. (Page 28)

Creating your DualEnroll account is the first step in the enrollment process. It is important to complete this step so you can apply for admissions and register for your Dual Credit courses. PLEASE NOTE: Your confirmation email does not represent or replace the course registration process.

**HOW TO CREATE A NEW DUALENROLL ACCOUNT:**

1. Go to [csi.dualenroll.com](http://csi.dualenroll.com) and click on the “Create My Account” button on the right side of the screen.

2. Complete the Student Application form, fill out all fields with a red asterisk, check the “I’m not a robot” box and click the register button. Please see pages 9 and 10 for step by step instructions.

3. You will receive an email from noreply @ dualenroll.com with a “Confirm my account” link.

4. You will receive another email confirming your account has been activated.

5. Go to [csi.dualenroll.com](http://csi.dualenroll.com) and login to your account. If you have difficulty logging in to your DualEnroll account, please contact us at dualcredit@csi.edu or call 208-933-2320.

Once you have registered for your courses, if you will NOT use Fast Forward Funding to pay for your class, you may complete your certificate of residency. [csi.edu/tuition](http://csi.edu/tuition)

**RETURNING DUAL CREDIT STUDENTS:**

If you have previously created a DualEnroll account or have an account with another college, do NOT create another account. You must use [csi.dualenroll.com](http://csi.dualenroll.com) with your existing login so you can register for your CSI Dual Credit courses.

**TIPS WHEN COMPLETING YOUR DUALENROLL ACCOUNT ONLINE:**

- Provide your full legal name. Example: Your first name is Elizabeth and you go by Liz, you will enter Elizabeth.

- Enter your correct date of birth including your birth year. Example: 2001-11-04

- Use a valid, current email address you can access!

- Address Abbreviations:
  - Directions: N, S, E, W
  - Ave, St, Rd, Ln, Dr, Cir, PO BOX, Apt #
  - NO PERIODS
  - Example: 123 N 456 W Apt #1
  - Example: 12345 Eagle Ln

- Enter your correct county. If you do not know your county ask.

- Select the year you will be a senior and choose any date in May for the graduation date.

Dual Credit students can obtain a CSI Student ID card for testing at the CSI Testing Centers. Contact the Early College Department for a list of locations where you can obtain your student ID card.
A large part of being a successful CSI Dual Credit student involves being prepared for the expectations of the semester, which includes meeting deadlines, applying and registering for your courses on time.

**STUDENT APPLICATION STEPS**

REGISTRATION STEPS

Please note the options at the top left of the page when logged in:

Click on “Courses” to search for your courses. The following screenshot is the Student Course Finder:

Please note you can search by term, by keyword or by course type. Once you find the course click on the title to view the course sections and register for your course.

You will see course details along with the available sections and an option to register.

Once you register for a course you will receive an email, from courseregistration@dualenroll.com, notifying you of your student registration.

Your parent will also receive an email, from courseregistration@dualenroll.com, notifying them of your registration with the following message:

Dear Parent/Guardian,

Your child has applied to participate in the dual enrollment program at College of Southern Idaho.

If your student’s courses are to be paid by Fast Forward, they must accurately report their county of residence in the Fast Forward portal. If they take a course that will not be covered by Fast Forward, they must file a certificate of residency with the county by the appropriate deadline in order to reserve any county reimbursement.

A dual credit course is the equivalent of a college course and will therefore have college expectations and standards. The grades your student receives in dual credit courses will appear on their college transcript.

Your student has selected at least one course located on the CSI campus or an online course open to the general CSI student population. Fast Forward pays only half the cost of these courses; your student will be responsible for the remaining tuition. Additionally, these classes will include college age students and may cover material in a manner that assumes an adult student population.

CSI subscribes to the policy of providing equal educational opportunities, services, and benefits to students without regard to race, color, ethnicity, national origin, gender, and/or disability.

Note: You have received this email because your child is under 18 years of age and provided this email as their parent/guardian’s email address.

Dual Credit IDLA students must register first through IDLA, once you know your instructor and class section. Second step is to register through CSI DualEnroll. You must register through both IDLA and DualEnroll!
To view your schedule, grades, GPA, or order your transcripts you will need access to your MyCSI account. The steps below will assist you with your first time logging in to your MyCSI account.

**LOGIN STEPS**

How to login:

1. Open Google Chrome browser and go to [www.csi.edu](http://www.csi.edu) and click on the MyCSI icon.

2. Enter your CSI student user name in the Sign in box and click the Next button.

3. Enter your eight-digit date of birth (example: 01012001) in the password field and click the Sign in button.

4. Follow the Authentication steps and Security Questions. Confirm your current password and click the re-enter my password button.

5. Once logged in you will see your name in the upper right hand corner.

If you have difficulty logging in to your MyCSI account, please contact us at dualcredit@csi.edu or call 208-933-2320.

**Tip**

If you have difficulty logging in to your MyCSI account, please contact us at dualcredit@csi.edu or call 208-933-2320.
1. To view and print your class schedule login to your MyCSI account and click on “ACADEMICS” dropdown and click on “ACADEMIC DASHBOARD”:

2. Click on the green tile labeled My Classes & Grades:

3. Click on the red tile labeled “My Class Schedule”:

4. Change the Term field to the semester you want to view/print and click the Generate Report button:

5. Click on the My Schedule PDF link:

6. Your schedule will open in a separate tab. Check for accuracy and review the deadline dates to drop and withdraw listed under each course.

It is your responsibility to make sure your schedule is accurate.
The college planning process includes budgeting wisely. The following information will introduce you to costs involved with Dual Credit and funding availability.

**Tuition & Fee Tips**

- Additional costs may include books & materials you may need for your courses.
- Students who have resided 12 consecutive months in Ada, Canyon, Bonneville, Kootenai, Jerome or Twin Falls counties are considered in-district and are not charged the out-of-district tuition. You do not have to submit the Certificate of Residency form.

**How to apply for Advanced Opportunities Fast Forward funding:**

1. **Create a Fast Forward account** at advancedops.sde.idaho.gov
   - By creating an account, you will be able to track where your funds are, request payment for courses and exams, and view the status of payments.
   - Accounts must be activated by your school before funds are allocated. Check with your local school district to learn more about your local application process for Fast Forward funding.

2. **Course Entry:** With assistance of your high school enter the courses in your portal account.

3. **IDL A Participants:** If you are taking a Dual Credit course through the Idaho Digital Learning Academy, you will need to work with the IDLA site coordinator at your school to get signed up and registered!

4. Complete and submit the Fast Forward Participation Form to your high school in order to receive Fast Forward funding. You can find the form at https://www.sde.idaho.gov/student-engagement/advanced-ops/

For more information on the Advanced Opportunities programs contact: The State Wide Coordinator at 208-332-6944.
The College accepts the following placement information in order to assist students with the selection of appropriate level courses in the educational planning process: Write Class, ACT (American College Testing), SAT (Scholastic Aptitude Test), Dual Credit, Alternative Credit, and Transfer Credit.

All students are encouraged to submit placement information prior to enrolling in courses that require math or English placement. The score results are used during the educational planning process to assist students in selecting appropriate level courses in which there is a reasonable probability that they will be successful.

Some courses and program-specific admissions criteria require certain course placement level attainment. Refer to the catalog’s curriculum and program description sections for details.

**Self-Guided Math Placement**

**English Self-Directed Placement**

**The Write Class**

Note: Students are held to prerequisite standards by the college instructor who delivers their course. The DualEnroll system informs the student that their Registration Request will be reviewed by the instructor for approval. Instructors approve each individual student who requests their course in the Dual Enroll system.

FAMILIARIZE YOURSELF WITH THE CSI CATALOG

It is essential to familiarize yourself with the official CSI Catalog to learn more about important college policies and procedures. You can find the CSI catalog online by clicking here. The following are highlights the Early College Department encourages you to read through. When Using online catalog, type title in search field.

STUDENT CODE OF CONDUCT
The College of Southern Idaho promotes behavioral standards that create a positive environment in which students can learn, work, and live. The Student Code of Conduct is intended to help create and preserve this positive environment in support of the institution’s mission, educational philosophy, purposes, and functions; to foster students’ educational and civic development; and to protect the people, properties, systems, and processes that support the College.

ACADEMIC INTEGRITY
The College values its mission as an educational institution. CSI students, faculty, staff, and administration are expected to be honest in all aspects of their college education and employment. All student work is evaluated with the assumption that the work presented is the individual’s own. All work submitted is to be a representation of an individual’s own ideas, concepts, and understanding. Anything less is unacceptable and is subject to disciplinary action. Consequences of academic dishonesty/misconduct may include, but are not limited to, any or all of the following steps depending on the severity of the violation: 1) verbal warning; 2) written plan for improvement; 3) a zero on the affected assignment or test; 4) course failure; or 5) dismissal from the major or program.

Attendance
The college recognizes that regular attendance is the student’s responsibility. Instructors evaluate the lack of attendance in terms of the course requirements and take reasonable course of action, including but not limited to, dropping students for no show. A class missed due to required participation in a verified school activity will not be considered an absence. Students who miss class or are absent for any reason, are still responsible for completing all course requirements. When the number of class hours absent exceeds the number of course credits, the instructor has the authority to send a notice to the student as a warning and/or refer the student to his/her advisor.

Right of Appeal
Students have the right to appeal outcomes imposed by implementation of College policies. All appeals must be in writing and must be submitted to the respective CSI official(s). Appropriate documentation of extenuating circumstances will be required and the timeliness of the appeal will also be considered.

COURSE DESCRIPTION EXAMPLE
ENGL 101 WRITING AND RHETORIC 1
English 101 emphasizes the process and strategies of writing academic essays with critical attention to purpose and audience; focus and development to support a thesis; and organization and coherency. Students write analytical essays based on readings, observations, and ideas: develop various strategies to respond to different rhetorical situations; and edit for style, voice, and conventions of standard usage. This course introduces MLA format.

PRIVACY OF STUDENT RECORDS
The Family Educational Rights and Privacy Act of 1974 (FERPA) 20 U.S.C. § 1232g; 34 CFR Part 99 is a federal law protecting the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.
FERPA gives parents certain rights with respect to their children’s education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level (e.g. college or university). Students to whom the rights have transferred are “eligible students.” Questions concerning FERPA should be referred to the CSI Office of the Registrar (732-6795); www.csi.edu/FERPA.
All of CSI’s Dual Credit deadlines are clearly listed on the Dual Credit Web Page and the Dual Credit Student Handbook found on page 3. The deadlines are also in the first email message you receive from the CSI Dual Credit Department.

Students requesting to add, drop, or withdraw after the deadline must submit an Enrollment Appeal to the Office of the Registrar. This includes students who were legitimately dropped for no show by faculty. The Enrollment Appeal form can be found at https://www.csi.edu/_files/pdf/registrar/enrollment-appeal.pdf.

To be considered the appeal must demonstrate, with supporting evidence, an extenuating circumstance which prevented the student from meeting the deadline. If the Enrollment Appeals Committee determines the existence of a legitimate extenuating circumstance, the Registrar will contact the faculty member(s) to explain the situation and determine the student’s likelihood for success.

Student appeals without an extenuating circumstance, lacking supporting evidence, or where the faculty member believes the student would not be successful will be denied.

**Extenuating circumstances** are circumstances which meet ALL of the following conditions and must be addressed in explanation of the appeal:

1. Affects your ability to meet established deadlines/standards
2. Are life-altering
3. Are outside of your control
4. Can be corroborated by independent evidence (MUST BE ATTACHED TO THE APPEAL)
5. Occurred during or shortly before the deadline in question
6. Was unplanned.
DROPPING & WITHDRAWING

**Dropped** course(s) do not appear on the student’s transcript, tuition charges are subtracted from the student’s account and are refundable. Students may drop courses until 5:00 pm on the Friday deadline listed on the Early College web page.

**Withdraw** means the student attempted the course but did not complete any credit; the grade of W will appear on the student’s transcript and there is no refund. No course may be withdrawn from after 75% of the course has elapsed. Students will be issued a grade after the deadline.

**Note**

W grades can have a number of negative consequences, including negatively impacting students’ eligibility for Federal Financial Aid. Ws on transcripts can also raise questions by transfer institutions and even prospective employers. Students should carefully consider the consequences of Ws before withdrawing from courses. For more information contact the CSI Financial Aid Office at 208-732-6873.

**HOW TO DROP OR WITHDRAW FROM A COURSE**

**Drop** - To drop a Dual Credit course login to your DualEnroll account and click on the Drop hyperlink.

**Withdraw** - To withdraw from one or more courses, a completed Add/Drop/Withdraw form must be submitted to the CSI Early College in person or via email dualcredit@csi.edu. To withdraw from all credited courses you must obtain a Federal Financial Aid Advisor’s signature on a Complete Withdraw form. This form must be submitted to CSI Early College in person or via email dualcredit@csi.edu.

**Note**

Drop and withdraw deadlines are published on the student’s schedule.
ACADEMIC STANDING

CSI ACADEMIC STANDING FLOWCHART

GOOD ACADEMIC STANDING
(Maintain a 2.0 cumulative GPA or higher)

- Status noted on transcript.
Note: The 2.0 cumulative GPA is a CSI benchmark for graduation and federal financial aid eligibility.

ACADEMIC WARNING
(Cumulative GPA falls below 2.0)

- Status noted on transcript.
- A registration hold is placed on the student’s CSI record until the student completes an online activity.

ACADEMIC PROBATION
(While on Academic Warning, cumulative GPA remains below 2.0)

- Status noted on transcript.
- Student is required to complete a Student Academic Success Plan with an Advisor/Academic Coach every semester until they have achieved Good Academic Standing.

ACADEMIC SUSPENSION
(While on Academic Probation, term GPA falls below 2.0)

- Status noted on transcript.
- Student must sit out one semester, excluding summer. The Assigned Advisor/Academic Coach will conduct an exit interview and inform the student of resources available during their required break and discuss their re-entry plan.
- Student may appeal to be re-instated with provisional status.
- After sitting out one semester, the student may re-enroll under a Student Academic Success Plan with an Advisor/Academic Coach.
- If term GPA falls below 2.0, the student is required to sit out one semester, excluding summer.

*Academic Standing is not the same as Financial Aid Satisfactory Academic Progress Standing.
Now that you are registered, your courses and fees will generate an account balance.

Questions, please contact CSI Business Office at 208-732-6212 regarding your statement.
Parent engagement is an important contribution in helping your student achieve their goals and degree progression. We have created a list of useful tips which will help you support your student in the Dual Credit process.

**Tips for parents:**
- Communicate often with your student about his/her Dual Credit plans.
- Communicate often with your student’s high school counselor to determine what Dual Credit courses are offered.
- Contact CSI Early College Department for questions regarding the pros and cons of enrolling in Dual Credit.
- Remind your student Dual Credit courses require a high level of maturity, preparedness, and commitment.
- The tuition rate for CSI Dual Credit college courses taken through a public high school, CSI campus and CSI online is the same rate regardless of where the student takes the course.

**WHAT IS FERPA?**

FERPA (Family Educational Rights and Privacy Act) is a Federal law that applies to educational agencies and institutions that receive funding under a program administered by the U.S. Department of Education.

**WHAT CAN PARENTS ACCESS ACCORDING TO FERPA?**
- When a student reaches the age of 18 or registers for classes at the College of Southern Idaho, regardless of age, FERPA rights transfer from the parent to the student.
- Parents may obtain directory information at the discretion of the institution.
- Parents may obtain non-directory information (grades, GPA, etc.) by obtaining written consent from their child.
- Parents may obtain non-directory information after it has been determined that their child is legally their dependent.

For more information about FERPA contact the Office of the Registrar at 208-732-6795 or records@csi.edu.

**EDUCATION RECORDS INCLUDE**
- Any record that contains information that is directly related to the student.
- Personally identifiable information such as student name, student ID number, or personal characteristics, grades, GPA, class schedules, class roster, a computer screen, a computer printout, notes taken during an advising session, or a document in the Office of the Registrar.
- Education records can exist in any medium including typed, computer-generated (monitor screen), video, microfilm, microfiche, email, notepad, and others.
- Academic records, financial aid, disciplinary actions.

**EDUCATION RECORDS INCLUDE**
- Sole Possession records (records/notes in sole possession of the maker, used only as a personal memory aid and not revealed to any other person except a temporary substitute for the maker of the records which may include notes an instructor makes in regard to career/professional guidance to a student, etc.).
- Medical records.
- Employment records when employment is not contingent on being a student provided the record is used only in relation to employment.
- Records created and maintained by a law enforcement unit used only for that purpose.
- Post attendance records (information about a person that was obtained when the person was no longer a student).

**WHAT IS A FERPA RELEASE FORM?**

To review a FERPA Release form go to www.csi.edu/FERPA

Must be completed and submitted by the student.
The Academic Certificate is intended for students who plan to complete their Associate of Arts or Associate of Science degree or who intend to transfer into a baccalaureate program after completing two semesters of study at CSI. Students must complete the minimum number of credits indicated, from each of the following areas, in order to meet the certificate requirements.

**Example:**

<table>

Once your order is complete you can check on the status by clicking on the “View Transcript Order Status”:
Your voice is important! We really value your feedback on the courses you take at CSI. Did you know that you can take your course survey (evaluating the course and the instructor) on your phone?

1. Your survey is anonymous. Your instructor will not be able to view the results until several days after the grades are posted.

2. Instructors value your feedback. Please take the time to really think about this class specifically and to post comments in the area provided within the comment section of the survey.

3. Actual real examples of changes made because of student feedback on a CoursEval Survey: Some instructors have rearranged the order of lessons because of a student comment; or reworked questions on exams, restructured due dates, introduced new ways of teaching a topic, changed textbooks, dropped a particular field trip, changed office hours, etc.

If you have the Canvas App on your phone
Open the course in Canvas and access the survey by clicking on the MyCoursEval link in the menu on the left.

Or access by logging in to MyCSI and clicking on Services-
Click on the CoursEval tile, then AMS CoursEval at the bottom of the page.

MILESTONES TO SUCCESS

An important part of college readiness means completing important milestones as a Dual Credit student. The following steps will put you on the right path from beginning to end.

GETTING STARTED
- Apply for Dual Credit admission
- Apply for Fast Forward funding
- Meet with your Early College Coordinator for advising

1-15 CREDITS
- Meet with Early College Coordinator regularly
- Take courses toward the Academic Certificate or your degree pathway
- Look at your possible transfer & career paths while at CSI
- Focus on English and math courses

16-35 CREDITS
- Continue to work toward the Academic Certificate
- Verify you are on track to meet all requirements and apply for graduation
- Start a conversation with a CSI Focus Area Advisor in the intended majors

AT 36 CREDITS
- Complete Academic Certificate
- Continue to make plans towards an associate degree

AS YOU PREPARE TO GRADUATE HIGH SCHOOL...

36 CREDITS
- Continue to work on your associates degree
- Submit final official high school transcript
- Schedule appointment with a CSI Enrollment Specialist
- Submit FAFSA and scholarship applications

WHAT IS UPLINK?

UpLink is a dual credit career focused academy that allows high school students to participate in CSI Career and Technical Education classes during their senior. Seats are available in 14 different programs for students to come to campus and jump-start their education and training. Students will spend half the day at CSI, morning or afternoon depending on the program, and half a day at the high school meeting graduation requirements. Most programs allow for the completion of a Basic Technical certificate by the end of the year allowing students to smoothly transition into full-time status after graduation.

The Learning & Tutoring Commons at CSI is open to all CSI students, including our Dual Credit students. We serve students by offering free drop-in tutoring, a bright and open study space for individual or group study, and embedded Learning Assistants in selected classes. Some of our peer tutors are bilingual.

Our primary location is found in the Meyerhoffer Building on the Twin Falls Campus, where we serve students in the areas of Allied Health, Biology, Business, Chemistry, Communications, Computer Science, Math, Psychology, Registered Nursing and Writing (English).

In addition to our main location in Meyerhoeffer, students can access additional tutoring and resources:

- Drop-in our Math Study Room in Shields 207, which has six computers, a study area with whiteboards and reference texts, and a computer equipped with software and a 3-d printer to support students in engineering courses.

- Drop-in Biology and Allied Health in our Biology Study Room, Shields 203, which has a study area with whiteboards and reference texts as well as copies of many of the resources used in various Biology teaching labs including models, bones, microscopes and slides, and wall charts.

- Drop-in Chemistry tutoring and resources in our Evergreen Atrium, which has a large and bright study area with whiteboards and nearly 20 computers

For our students living near the Burley area, we offer drop-in Math, Writing (English), and Biology tutoring at our Mini-Cassia location. The Learning & Tutoring Commons at the Mini-Cassia Center has four computers and a study area with whiteboards and reference texts.
The Early College Department is excited to help you with the next steps to college after high school graduation. There is a tremendous pay off and benefit for Dual Credit students to continue with CSI. Continuing with CSI is a seamless transition to the degree-seeking process.

Follow the steps listed in our convenient checklist below:

- **Apply for Admission.** The online application for new students is free. Note: CTE Programs have additional admission requirements, contact Melissa Chantry at 208-732-6235 or mchantry@csi.edu for assistance.

- **Submit your official transcript.** Upon graduation, submit a final transcript confirming high school graduation for scholarship purposes. Submit all college transcripts to receive credit for prior course completion.

- **Meet with an Enrollment Specialist.** To schedule an appointment call 208-732-6250 or email enrollment@csi.edu.

- **Complete the FAFSA application** [www.fafsa.gov](http://www.fafsa.gov). It opens October 1.

- **Complete the CSI General Scholarship application.** It opens October 1st.

- **Attend Orientation.** You will learn important information and register for classes.

- **Buy your books, supplies and attend your classes!** (The first week counts!)
