May

Congratulations on making it to the end of the school year! Summer is at our fingertips and we are looking forward to the warm weather and time to reflect on this wild school year. This summer, students will be participating in courses online and in person at CSI. Incoming students will have the opportunity to attend orientation full of fun events and activities. Our Early College team will be available all summer to answer questions or help with scheduling for next year. To our graduating seniors transitioning to CSI this summer and fall, we can't wait to have you on campus and are proud to have you as part of our CSI family!
