November

November is upon us and we know everyone is working hard finishing up college application events, filling out FAFSA forms and helping students plan for their next steps. We are here to answer questions for you and your students. Just reach out!

Student Resources Spotlight

Not too early for housing

With a housing shortage effecting many areas of the state, please encourage seniors to look ahead and plan for the fall. CSI offers several options, but space is limited so take a look at student housing costs, take virtual tours, and review the application process HERE.

Canvas Support

Many CSI classes including dual credit and online courses utilize Canvas to turn in assignments, contact the instructor, and run the class. If you need help navigating this system, we have 24/7 support available. Call 844-711-0943 or see online resources HERE.
