Based on Financial need and does not accrue interest as long as the student is enrolled in at least six credit hours.	Begins accruing interest at the time of disbursement; interest will accrue and be capitalized at the end of deferment.

Visit <https://studentaid.ed.gov/sa/types/loans/interest-rates> to find the most current interest rate and loan fees.

Interest Rate & Loan Fees

- The interest rate varies depending on the loan type and the first *disbursement date* of the loan. The current interest rate for Direct Subsidized loan is ____%.
- The loan fee is deducted from each loan disbursement you receive. The current loan fee is ____%.

Repayment

- Repayment of principal and interest is deferred until 6 months after you cease to be enrolled at least half-time in a degree/certificate program.
- I understand that I have 14 days after my loan is disbursed to cancel the loan and return any loan funds received to CSI.

Loan Tips

- The *net* loan amount is credited to your student account in equal disbursements for each term you attend.
- You are responsible for repaying the *gross* loan amount.
- Loans will be disbursed in two equal installments. If only attending one term loans will be split into two equal disbursements within that one term.
- I understand that if I drop below 6 credit hours before my loans are disbursed to me, I am no longer eligible to receive the funds. At this time exit counseling will be required.
- I know that I need to complete Student Loan Entrance Counseling and sign a Master Promissory Note (MPN) before my loan will be disbursed.
- I understand that my loan eligibility may change if I have received additional financial aid that has not been reported to the CSI Financial Aid Office.
- If my loan needs to be adjusted, I will be responsible for repaying the over awarded amount to CSI.
- I certify that I will only use this loan for education-related expenses.
- I understand that subsidized loans have limitations and I can lose my interest subsidy. I understand and have read about the 150% subsidized loan limit.

If your subsidized loan does not meet your financial needs you may submit the Unsubsidized Loan request.

I hereby read and understand the above statements regarding my student loan award and have attached the following documents to this form with submission to the Financial Aid office.
