

THE COLLEGE OF SOUTHERN IDAHO STEELE-REESE FOUNDATION SCHOLARSHIP

The Steele-Reese Foundation was created in 1955 by Eleanor S. Reese of Salmon, Idaho, who died in 1977. During her life, Mrs. Reese continued to pursue her own charitable interests in parallel with those carried out by the Steele-Reese Foundation. Her own interests included providing scholarships for promising high school graduates of Idaho's Lemhi and Custer Counties. The Foundation has now instituted a formal scholarship program at eleven universities and colleges for academic undergraduates and graduates as well as vo-tech students.

A significant amount has been allocated to CSI for the upcoming school year and will provide scholarships ranging from \$500 to \$2,500. This award is to be applied to fees, books, and room/board costs. Scholarships can be renewed if the recipient continues to meet the requirement; however, recipients **MUST** reapply to be considered for renewal.

CRITERIA:

1. Applicants **MUST** have graduated, or be scheduled to graduate, from a high school in Lemhi or Custer County. This includes Challis, Leadore, Mackay and Salmon High Schools.
2. Applicants do not need to be currently enrolled but must apply for admission to CSI and complete the CSI Scholarship Application through their MyCSI.
3. Applicants must have a minimum cumulative 3.0 GPA and maintain a 3.0 during the award period. Fulltime enrollment (12+ credits) is required for each award semester.
4. All applications must send in their official transcript with the latest cumulative grade point average on the transcript (seven-semester for current high school and fall grades for college). CSI transcripts do not need to be attached.
5. Applicants must submit a Federal Financial Aid Form (FAFSA), to be used at the College of Southern Idaho.
6. Selection will be based on academic promise, initiative, and financial need.

The completed application on the reverse side should be mailed to:

**College of Southern Idaho
