College of Southern Idaho Veterans Scholarship Application

Contact the CSI Military and Veteran Office to determine scholarship fund availability.

The Veterans Scholarship Fund is supported by donations from community members and organizations that wish to assist Military and Veteran students in achieving their higher education goals. Please note that scholarship funding is not guaranteed each semester, as availability depends entirely on these donated funds.

The scholarship award is applied directly to your CSI student account. Funds may be transferred to your personal bank account through your CSI Nelnet account only if there is no outstanding balance on your account. To be considered, submit a completed scholarship application form to **carmstead@csi.edu** for each semester of the academic year. After applications are reviewed, all applicants will be notified of their application status and any award determination for that semester.
