“Have
Courage.

An opportunity awaits you at
the College of Southern Idaho
and the CSI Foundation wants
to help.”

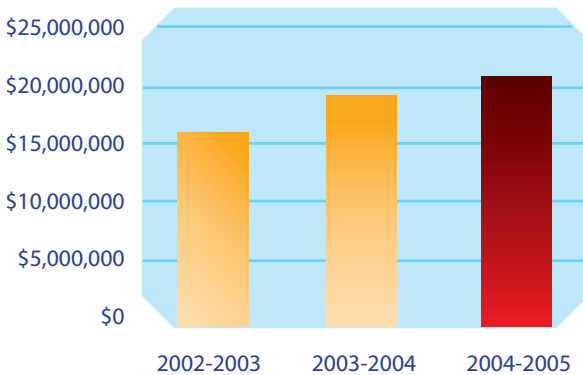

Linda Wright-Hartgen

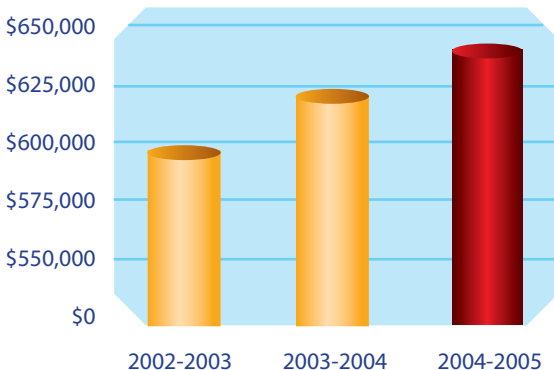

Thanks to your generous donations, the CSI Foundation assets now total over \$20 million! Over the past 21 years, \$9.9 million has been used to enhance current programs, create new cutting-edge learning opportunities, and build buildings. The Foundation is proud to have awarded over \$7 million to deserving students through scholarships as well.

There are many ways that you can continue to assist the students at the College of Southern Idaho. Opportunities for giving include cash, bequests through wills, life insurance policies, gifts of appreciated property and securities as well as Charitable Gift Annuities and Charitable Remainder Trusts. The staff in the CSI Foundation office is always available to help you decide which gifting method is right for you and your family.

Establishing new endowments and traditions through the College of Southern Idaho Foundation.

We all know what we think a “traditional” student at the College of Southern Idaho looks like. This student would be 18 or 19 years old, fresh out of high school, and raring to go on a new adventure. But did you know that many of the students at CSI break that mold? These non-traditional students have lives and jobs right here in the Magic Valley and are returning to school to make a better life for themselves, their families, and our community. The CSI Foundation, Inc. would like to invite you to “Choose to Give” to an endowment at CSI so these students will “Choose To Go” to school at CSI.

Did you know

- That the average age of a student at CSI is 28?
- 66% of the students are female and have young children?
- That many of these students are working 2 and 3 jobs?
- That these students will become a stable workforce in the Magic Valley?
- Careers for these students include (among others):
 - Health Care
 - Education
 - Child Development
 - Computer Technology
 - Law Enforcement

Perhaps you were or know of a non-traditional student or perhaps you are a business owner looking for a stable, qualified employee. Either way, a donation to this endowment is a gift to the future of the Magic Valley.

Gerald R. Meyerhoeffer and Family Scholarship Endowment

Jerry Meyerhoeffer led the College of Southern Idaho for the past 23 years with vision, integrity and honor. CSI not only grew in student population but in stature around the state as one of the highest quality centers for education in the nation. The CSI Board of Trustees established the Meyerhoeffer and Family Scholarship Endowment upon Jerry's retirement to honor his true love – the students at the College of Southern Idaho. This endowment will provide scholarship support to students at CSI as they pursue their dreams. Jerry's leadership has had an extremely positive effect on the College and our community and we invite you to join with us in building an endowment in this family's honor.

Use Where Needed Most – Unrestricted Donations

The College of Southern Idaho Foundation, Inc. is proud of a 21+ year tradition of providing excellence in education for the students at CSI. The face of education in Idaho is quickly changing and your donations to this unrestricted fund help the Foundation to meet opportunities quickly and efficiently. For example, donations may be used for:

- New program funding
- New equipment
- State of the art technology

General Scholarship and Program Support

Your donations are vital to our students' success as they work towards their educational goals. Did you know that a \$100 donation will provide a student with a textbook, a \$500 scholarship could pay for part of a semester of childcare for a student, and a gift of \$950 could pay for one semester's tuition? Every dollar invested through the CSI Foundation provides a positive return for our community.

The following friends and neighbors have donated to the programs and students at the College of Southern Idaho. These donors are the lifeblood of the Foundation and the bedrock support for the College.
