Welcome to the CSI Gooding and CSI Jerome Centers!

A note from our Staff...

We are delighted once again to offer this resourceful brochure throughout our Gooding and Jerome serve area communities. The College of Southern Idaho (CSI) Gooding and Jerome off-campus centers provide a broad range of learning opportunities for everyone. As such, each section of the brochure provides details of these learning opportunities available this fall semester. Whether you are seeking GED preparation coursework, improving your English language skills, interested in our Over 60 and Getting Fit program, community education enrichment courses, or enrolling in academic courses in the pursuit of a college degree—you can accomplish all this locally!

Our friendly staff is always here to help you with one-stop enrollment services such as admissions, advising, registration, financial aid, proctored testing, business office transactions, and so much more! We invite you to contact us with any questions you have as you read through this brochure.

Thank you!

Please Note: Due to COVID-19, CSI will regularly monitor and evaluate programming offerings on an on-going basis as part of our safety procedures. Please contact our staff for the latest updates associated to the information contained in the brochure.

Staying active becomes more important than ever during the second half of life. In fact, what has been considered "normal aging" may have more to do with a sedentary lifestyle than with the aging process.

This award-winning program emphasizes walking as low-impact cardiovascular movement, stretching and resistance training in locations throughout the Magic Valley. It is geared to serve older adults with varying levels of functioning abilities. **This class is offered at no cost!**
