If you want electricity, please provide an explanation of what you will be using and how many AMPS required (20 AMPS maximum). No electricity can be purchased during the event. Vendors will not be allowed to use space heaters, coffee makers, or other hi-amp electrical devices due to Expo Center's electrical capacity.

Set-Up: Set-up will take place from 9 am until 5 pm on Thursday, November 6, 2025. Each exhibitor MUST check in at the Expo Center lobby and pick up his/her vendor and parking passes before lining up to enter. Your parking pass must be visible at all times during the show; the pass must be hanging on your rear-view mirror before you are allowed to enter the building to unload. Please unload your materials as quickly as possible to minimize congestion in the aisles. Engines MUST be turned off while unloading. After unloading, please remove your vehicle from the building prior to assembling your booth. At the end of the show, please dismantle your booth before bringing your vehicle into the building. **Tear down on Sunday begins at 4:15 pm.**

If you have a trailer or motor home, please let us know during registration and we will direct you to the designated areas.

Trailer parking is at the south end of the lot (near the day care center).

Requirements: **Items should be handcrafted or home-based items. Photos should be labeled and include a description of the work and price ranges. **Items offered during the festival must be consistent with photos submitted.** Photos will not be returned by mail. Photos sent via USPS can be picked up during the festival. All applicants must send in photos, participation in past festivals does not guarantee placement in this festival.
