ASSOCIATE OF APPLIED SCIENCE

PHYSICAL THERAPIST ASSISTANT

APPLICATION PACKET FOR PROGRAM ENTRY

FALL SEMESTER 2019

The application period is January 28-March 28, 2019.

All materials must be received no later than Thursday, March 28, 2019.
Welcome to the Idaho Consortium for Physical Therapist Assistant Education admissions process. Please read these documents thoroughly as they will help you understand the requirements for admission and guide you through the admissions process. Do not hesitate to contact the program director, your health programs advisor, or other physical therapist assistant (ICPTAE) program faculty with concerns or questions during the process. Contact information is below.

The Idaho Consortium for Physical Therapist Assistant Education abides by each member college’s practice of non-discrimination and therefore will not discriminate against any individual on the basis of race, color, religion, national origin, gender, age, disability, pregnancy, sexual orientation, or status as a Vietnam-era veteran.

Space in the program is limited; therefore, admission will be competitive, based on an objective point procedure that has been strategically set up to predict student success.

The program will admit students as follows in Fall 2019:

- 10 students at the College of Southern Idaho (CSI) in Twin Falls,
- 14 students at the College of Western Idaho (CWI) in Nampa,
- 6 students at Lewis-Clark State College (LCSC) in Lewiston, and
- 10 students at North Idaho College (NIC) in Coeur d’Alene.

Students are accepted into a “cohort”, a group of students who start the program at the same time, enroll, and complete the same program courses, perform clinical education, and graduate together as a group. The program may not be taken part-time – it is a full-time commitment.

Prior to making application to the program, individuals should give careful consideration to the mental and physical demands of the program and the pressures involved in undertaking the responsibilities of being a full-time PTA student.

It is highly recommend that you meet with an advisor early in the application process. Direct questions and prerequisite course verification to:

- Jon Gardunia (NIC)  ICPTAE Program Director  jon.gardunia@nic.edu  (208) 665-5051
- Andrew Miller (CWI)  Student Advising & Success  andrewmiller@cwidaho.cc  (208) 562-2170
- Jacob Hornby (LCSC)  Pre-Health Professions Advisor  jmhornby@lcsc.edu  (208) 792-2441
- Rene Rambur (CSI)  Health Programs Advisor  rambur@csi.edu  (208) 732-6730

Transcripts

Transcripts are required only if you have taken courses and are transferring credits from a college OTHER than the one to which you are applying.

Arrange for your official transcripts to be sent to your applicable college in order to be evaluated and reflected in your records. It is not necessary to enclose a copy of transcripts with your ICPTAE application.

Example

If you have taken all your required general education/prerequisite courses at NIC and you are applying to attend the program at NIC, no transcripts are necessary.

If you took all but two of your general education/prerequisite courses at NIC, took one required course at CSI and one required course at CWI, you must have your CSI and CWI official transcripts sent to NIC for evaluation.

Please Note

It is highly recommended that students with transfer credits view their transcript evaluations before the application deadline to assure that they have courses that meet the prerequisite admission requirements for the Associate of Applied Science Degree, Physical Therapist Assistant.

It is possible that transcripts received during the application period may not be evaluated until after the application deadline, therefore, it is essential that you follow the college’s requirements for evaluation of transcripts and do so in a timely manner. To verify receipt of application materials check with OneStop at CWI, your MyNIC portal at NIC/LCSC, and with the Office of the Registrar or HSHS Advisor Rene Rambur (rrambur@csi.edu) at CSI.
IMPORTANT ADDITIONAL INFORMATION:

It is the student’s responsibility to ensure that all required information is submitted and that documentation of all requirements is included in the application.

- Repeated courses: courses may be repeated once to improve a grade, no matter when the course was first taken. The latest, most recent grade will be used in the program admissions scoring process. If a course has been taken three or more times (repeated more than once), no application points will be awarded for that course.

- Application points will only be given for courses that have been completed prior to the application period, have a grade of C/2.0 or higher, and are included on official transcripts. In-progress coursework will not be awarded points toward program admission.

- If you are accepted, please be aware that the program is intense and will require the majority of your time and efforts. Attendance and Participation at each scheduled lecture and lab is mandatory. From the start of the program, you will be expected to conduct yourself in a manner that is required for all health care providers. Merely showing up will not suffice – you must be invested in the program and in your studies. Please do not apply if you know that you do not have the enthusiasm, drive, and desire to immerse yourself in the program and in the profession. If you have questions in this regard, please speak with the program director or your advisor.

All application materials must be received by Thursday, March 28, 2019. Any materials received after the deadline will not be considered.
Application for Admission Fall 2019

- Place a check on the line of the consortium-member college to which you are applying and submit materials to the address listed below by March 28, 2019.

- Remember, if you have not applied to the college itself, you must apply to the college as well as the ICPTAE Program.

- If you are applying to multiple locations, you must submit application materials to each location and rate which college is your first choice, second choice, and so on. Except for letters of reference which only need to be sent to the first choice. They will be forwarded to the other campuses as needed.

- If it isn’t already a requirement of your college, we recommend submitting all your ICPTAE application documentation together in one envelope clearly marked, “ICPTAE Application.” Please do not use staples.

- No additional materials will be accepted toward your application after the due date.

- Make and keep a copy of all application materials that you turn in.

If you are applying to multiple colleges: place a 1 for first choice, a 2 for second choice, etc., on the line next to the college name below. If more than one college is selected, an admissions application to each college must be submitted to that institution. Note: If you apply to more than one college and you are selected to attend one of the colleges you’ve indicated, you cannot change to another college campus once you’ve agreed to attend the campus of your acceptance. If you are applying to one college only, place a √ on the line for that college:

In the event there are applicants that are tied with an equal number of points, and the number of applicants outnumber the remaining open positions in the program, the following system will be used to determine who is selected:

- Please place check mark for applicable military service. Tied applicants who have provided official documentation of military service will be placed at the top of their point category.

If there continues to be a tie, then GPA on completed requirements will be used to rank the remaining tied applicants.

If there still continues to be a tie, then a random drawing of all remaining tied applicants will be held for the final program slot/s.
