

Surgical Technology Program Student Admission Scoring Sheet

Please print this document and include it in the admissions portfolio.

Name of Applicant _____ CSI Student ID# _____ Total Points _____

Pre-requisite courses <i>These courses are required before admission into the Surgical Technology Program.</i>	Credit Hours	Grade Value A = 4 B = 3 C = 2 D = 1 F = 0	Credit Hour x Grade Value = Score Points
BIO 105 (and lab) Human Structure and Function			
ENGL 101 English Composition 1			
Central Sterile Processing Basic Technical Certificate:			
• ALLH 100 Introduction to Allied Health			
• ALLH 101 Medical Terminology			
• ALLH 104 Central Sterile Processing			
• COMM 101 Fundamentals of Oral Communication			

Co-Requisites <i>These courses can be completed while in the program.</i>	Credit Hours	Grade Value A = 4 B = 3 C = 2 D = 1 F = 0	Credit Hour x Grade Value = Score Points
*Gen Ed Social Science			
Gen Ed Math (Math 123 or higher)			
Gen Ed Elective _____ <i>(please write in the elective course being used)</i>			

*Gen Ed Social Science: Any social science is accepted, but Psychology or Sociology is highly recommended.

Non-Required Courses

These courses are NOT required but are highly recommended and may earn you additional points.

If you received a B or higher add 2 points, if you received a C add 1 point	
*BIOL 227 Anatomy and Physiology 1	
*BIOL 228 Anatomy and Physiology 2	
ALLH 220 Nutrition	
Microbiology	

*BIOL 227 & BIOL 228 may be used as a substitute for BIOL 105. Both courses must have been taken and passed to use in replacement of BIOL 105. In this case the highest grade of the two courses would be used for the BIO 105 point sheet.

If you have completed the CNA or EMT or other health professions program (LPN, MA, DA, etc.), add 2 points	
If you have current proof of certification or licensure as a CNA, EMT, LPN, MA, DA, etc., add 2 points	
If you were interviewed last year and selected as an "alternate" add 2 points	
If you were interviewed last year and NOT selected as an "alternate" add 1 point.	

Previous Degree Earned	Points for Degree	
Master's Degree	8	
Bachelor's degree	4	
Associate's degree	2	
Example: CSI Health Science, Associate of Science degree		

Potential 14 extra points for earned degrees
