

Part I – Agency Profile

Agency Overview

The College of Southern Idaho (CSI), represents a shared vision and a collaborative effort of the citizens of South-Central Idaho. In 1963, the Idaho Legislature passed the Junior College Act, which provided for the establishment of junior college districts. Twin Falls County voted to form a junior college district in November 1964. The following year Jerome County citizens voted to join the junior college district. CSI celebrated its 50th anniversary during the 2015-2016 academic year.

CSI is funded by a two-county community college district, student tuition and fees, and state allocations, and is under the direction of a locally-elected five-member Board of Trustees in cooperation with the Idaho State Board of Education. The Board of Trustees hired Dr. James L. Taylor as the first President of the College of Southern Idaho. He served as president until his death in November of 1982. Gerald R. Meyerhoeffer became president in 1983 and Dr. Gerald Beck became CSI's third president in 2005. On January 1, 2014, Dr. Jeff Fox was selected to be the College of Southern Idaho's fourth president.

CSI's service area is defined in Idaho Code as an eight county area consisting of Twin Falls, Jerome, Lincoln, Camas, Blaine, Gooding, Minidoka, and Cassia counties. CSI offers its programs and courses at the nearly 350-acre main campus in Twin Falls, as well as at off-campus centers in Burley (Mini-Cassia Center), Hailey (Blaine County Center), Gooding (North Side Center), Jerome (Jerome Center) and Idaho Falls (Idaho Falls Center).

The College of Southern Idaho's mission is to provide quality educational, social, cultural, economic, and workforce development opportunities that meet the diverse needs of the communities it serves. Students can choose from a wide range of transfer and career-technical programs with more than 130 program options ranging from short-term certificates to two-year associate degrees. Additionally, CSI provides basic skills, workforce training, economic development, and enrichment programs to its students and community members. The college also offers Adult Basic Education and English as a Second Language courses for students requiring pre-college-level work.

Faculty teach in a variety of modalities including traditional classrooms, online via the Internet, hybrid courses, on a microwave system, and online over the State's broadband service. CSI partners with sister public post-secondary institutions in Idaho, which offer over 50 bachelors, masters, and other terminal degrees for students on the CSI campus. CSI is also active within its community, offering various enrichment courses, cultural and athletic events, business partnerships, and supporting economic development.

The institution was initially accredited by the Northwest Commission on Colleges and Universities (NWCCU) in 1968 and has had its accreditation continuously reaffirmed by NWCCU, most recently in June 2015. CSI continues to partner with the College of Western Idaho (CWI) in order to assist CWI in meeting standards for accreditation and to allow CWI to offer certificates and degrees while seeking accredited status.

Core Functions/Idaho Code

The College of Southern Idaho was established and is governed under Chapter 21 of Title 33 of Idaho Code. The College of Southern Idaho's mission is to provide quality educational, social, cultural, economic, and workforce development opportunities that meet the diverse needs of the communities it serves. The primary function of the College of Southern Idaho as stated in Idaho Code is "instruction in academic subjects, and in such non-academic subjects as shall be authorized by its board of trustees" (Section 33-2102, Idaho Code).

Performance Measure Explanatory Notes

¹ The College of Southern Idaho began participating in the Voluntary Framework of Accountability (VFA) in 2013. Data is not available prior to 2013.

² Undergraduate Cost Per Credit Hour: IPEDS categories of instruction, academic support, student services, institutional support, and other expenses and deductions, divided by annual credit hours; credits hours are weighted (Source: Cost: IPEDS Finance Survey, Part C (instruction, academic support, student services, institutional support, and other expenses and deductions); Credits: Weighted PSR 1.5 [including non-resident] plus PTE credits weighted at 1.0 This metric has undergone several revisions over the past few years. Additionally, CSI has altered its reporting methodology for IPEDS financials. These factors have eliminated the ability to provide comparative data for 2011-2012 and have led to revised figures for 2012-2013 and 2013-2014 compared to previous reports).

³ Unduplicated headcount of all certificates and degree earners per \$100,000 of spending. (Source: Cost: IPEDS Finance Survey, Part C (instruction, academic support, student services, institutional support, and other expenses and deductions); Credits: IPEDS Completions This metric has undergone several revisions over the past few years. Additionally, CSI has altered its reporting methodology for IPEDS financials. These factors have eliminated the ability to provide comparative data for 2011-2012 and have led to revised figures for 2012-2013 and 2013-2014 compared to previous reports.

⁴ This figure is expenditure based and includes workforce training funds, external contracts, and grants directly related to the mission of the College of Southern Idaho. This figure does not include grants related to the public service umbrella agencies of the college such as Head Start, Early Head Start, Small Business Development Center, Office on Aging, Trans IV, Refugee Center, and Idaho STAR.
