

Gilbert's Guide to the CSI Legacy Trail

The Gilbert's Code (How to Play):

1. Grab Your Treasure Map

Now that you are in possession of the treasure map, guard it like gold—you can't win without it!

2. Hunt for Activities on Campus

Scattered across these waters (campus) will be stations, each offering tidbits of CSI.

3. Prove Your Worth

At each station:

- Complete an activity
- Learn something new
- If you succeed, the Gilbert crew will give you 1 punch on your map.

4. Collect 6 Unique Punches

No shortcuts – duplicates don't count.

5. Claim Your Bounty!

With all 6 unique punches, return to the **Treasure Chest (Prize Table)** to collect your hard-earned loot, while supplies last.
