

Herrett Center for Arts and Science Announces Open Registration for Kids STEAM Camp-In

Release date: 1/8/19

TWIN FALLS – Registration is now open for the Herrett Center for Arts and Science’s 2019 STEAM Camp-In, which will be held Friday, March 15, 2019. One hundred third, fourth, and fifth graders will experience a night of fun and learning STEAM—that’s science, technology, engineering, art, and math. The camp-in includes a STEAM-based workshop, the wacky science fun of Dr. Picklestein, a sneak-preview screening of the new planetarium show: Beyond the Sun, telescope viewing in the Centennial Observatory, a group scavenger hunt in the museum galleries, and a night of camping in among the museum gallery exhibits.

Snacks will be provided during the evening and a light breakfast will be served the next morning.

STEAM Camp-In registration forms can be found at the front desk of the Herrett Center or at herrett.csi.edu/exploreherrett. Registration is \$50 per camper and closes Saturday, March 2. This camp runs on a first come, first served basis.

For more information, contact Education Coordinator Kindy Combe at 208-732-6664 or kcombe@csi.edu.
