~ **Guests: Jason Vickrey**

\*At the meeting to introduce and talk about the 6<sup>th</sup> Man club. The goal is to get the students more involved. The 6<sup>th</sup> man club is designed to get students to play a more active role in supporting CSI hoops. Students who are part of the “rowdy crowd” will be rewarded with free pizza, drinks, and many more prizes throughout the season. Much advertising help is needed to put the club out there. If there are any ideas for more advertising or promotion let Jason Vickrey know. The club wants to be active during the 1<sup>st</sup> basketball game. We had the opportunity to talk to many of the students, get ideas and suggestions for ways to make the outreach center student's experience better. Our goal for the following week is to get some of those ideas into action and to plan our trip to Gooding.” –Senator Bajraktarevic

\* “Wednesday 10-22, Senator Bajraktarevic and I went to the Blaine County Campus for their midterm study break Pizza Party. Around 70 students showed up and the cost of sodas and pizza came to about \$280. We received many suggestions for their campus including: a movie, or bowling night for the students in Hailey, discounts at local shops or on ski passes, and an ID card machine. Our next project is to plan a pizza party in Gooding and meet with the students there so that we can incorporate recycling on their campus, along with getting new ideas as to what the students want to see done on their campus.
