Businesses on Main Street still need to be hit for donations. If anyone can help Senator Conrad with Main Street please let us know. Posters should be plastered everywhere on campus! Make sure they're up! Next week we're going to advertise really hardcore!

~ Advertising

The toilet paper is finished and will be printed out tomorrow. The calendar is finished and ready to be updated. Advertising creates a monthly calendar to update the calendars around campus. Thank you Senator Munguia and Senator Jam for the new intros. We also create the Toilet Paper that needs to be posted in all the bathrooms. We also have to go to the Sustainability Conference.

~ Ambassadors

Ana and I met with the ambassadors last Tuesday and they are doing great. It's getting towards the end of the semester and it looks like they are finishing out strong with tours. Their next community event will be a road clean up which will take place on April 20th. The Easter egg hunt is just around the corner and they seem very excited to participate in this event where they will be having a coloring contest booth. On Tuesday April 7th a few Ambassadors will be traveling to Boise along with Beth to participate in the Boise College Fair. Pictures will still take place on Tuesday 7th regardless of the college fair. And lastly they are looking at dates to go on an end of the year all day trip!!!

The responsibilities for the ambassadors, you have to attend the executive and regular meetings and report everything back to the Senate and vice-versa.

~ Interclub

The Easter Egg hunt is from 4pm-6pm on Friday. If you are available to help, we could hand out Eggs with Change for Children Flyers in them. Interclub is the foundation or connecting source for all the clubs. We have a representative from each club at the meeting that share what activities are taking place. We are in charge of a lot of events and it's really fun.

~ Campus Recreation

The Art Club has been painting the weight room. Support the Smash out Cancer. Responsibilities for the Recreation Center are to help out with Scott and get the updates to report back to Senate.

~ Outreach Centers

Thursday 4pm-6pm is a barbeque in Burley. There are 3 different off campus schools. Our job is to keep them connected to CSI and make sure they're having fun and becoming united.

~ Program Board

The only event we had was the 24 hours of Fitness. Upcoming Events are the Spring Fest. We have an undecided event for May. Program Board is a lot of fun and a lot of work. The beginning of the year is intense. You form it through interviews. You have to figure out what the students want and provide it for them. It's a great event and some students get to go to NACA and a big convention. You keep the

~ Public Relations

We got in contact with Doug and he didn't need us. We're helping with the Easter Egg Hunt. The Community Connection Program is what's going on this week. We go to the Radio Stations every week to announce everything that's going on at CSI. It takes a lot of confidence. You talk fast and just go with the flow. It's a lot of fun.

~ Diversity Council

Last week we made t-shirts to help advertise for Human Trafficking. We will be helping with the Easter Egg Hunt. Our booth will be painting eggs. We are also planning for our end of the year party. Since Diversity Council has a lot of out of country members, this event is very important. We are thinking about going to Lagoon.

~ Treasurer

This month we had \$1,000 worth of revenue. The budget will be updated by Friday. I keep track of special events funding, get the report from Jasmine, and update the report.

~ Eagle Hall Council

Last week we had a Not For Sale presentation. For Eagle Hall, you plan events and keep Eagle Hall fun.
