2 ~ Social Event – Secretary Haggan

After a vote between movie night, Miracle Hot Springs, and Bowling we came to a decision. We will be going to Cedar Lanes in Filer this Friday (April 17th) for Spectro Bowling. This event does not start until 10pm, so we will meet in front of the Fine Arts at 9:30pm. If you have any questions contact Secretary Haggan.

3~ End of the Year Banquet – Vice President Monreal

May 1st at 7pm at Advisor Stanley's house, will be our end of the year banquet. Since it is potluck style, there is a sign-up sheet that was passed around to sign-up for what you are willing to bring. Don't forget to bring what you signed up for, and if you haven't signed up for anything yet, get a hold of President Flores, so you can get on the list.

New Business

3~ Committee Reports-

~ **Advertising:** “Last week the Toilet Paper was printed; it took some time because the printer down at the info office was not working properly so Jasmine couldn't get the computer to send it over. So please make sure it gets put up. The calendar should also be updated. New Toilet Paper next week.”

~ **Ambassadors:** “Last week there was no meeting because they were setting up for the egg hunt. Road clean up is still taking place April 20th.”

~ **Interclub:** The Easter Egg Hunt was a huge success. Although the weather wasn't what anyone expected and we had to start 5 minutes early, there were still a lot of kids. Since the clean up was so quick, we're still working on clubs attendance.

~ **Campus Recreation:** "There is a lot going on at the Rec. Center. The Relay For Life was a huge success, raising \$640 and having 272 people participate. Interviews for Rec. Coordinator/Outdoor Coordinator will be going on the 7th and 8th of April. Intramural Volleyball Championship game will be held on April 8, 2009. Last week the rec. cleaned up the disc golf course for two hours and picked up 20 bags of trash. Lately the disc-golf course has been pretty busy thanks to the good weather. For anyone who is interested in playing disc golf its free but if you lose one of the discs they y will charge you \$5. There has been some complaints about people drinking and smoking, so to correct this problem new signs were make and they will be put up shortly to let everyone know that this conduct is not appropriate."

~ **Outreach Centers:** This week we had planned to do a BBQ at the Burley Center, but due to barbeque complications, we had to cancel the event and postpone it until Thursday April 23rd. We're also going to talk to program board on Tuesday about sponsoring a Cinco de Mayo event for the Burley students. We are also continuing to plan for a bowling night for the students in Hailey before the semesters over,

~ **Program Board:** "Program Board co-sponsored Not-For-Sale with Diversity Council, it went well and there was a fairly good turn-out! Program Board co-sponsored Keith Waan with the US Sign Club and the event was full. US Club changed their date and there were two big events on the same night April 6th in the Fine Arts. We decided in our Executive meeting to stipulate that if clubs are receiving funds for major events they cannot change the date of their event without telling us. Keith Waan was originally scheduled for a different day so it ended up conflicting with Not-For-Sale. 24 Hours of Fitness raised \$690 for Relay for Life. 273 people participated and Scott wishes more Program Board members had showed up for the event. This week we had a bowling night and it went well. There were not as many people as usual but it was still successful. Upcoming events include Finals Week, the Neon Party April 24th from 9 p.m. to 1 a.m., and a trip to Utah April 25th to watch Real Salt Lake vs. New England Revolution (soccer). Tickets will cost \$10 to cover ticket prices and bus fare. Next week will be a movie night and it will hopefully be Gran Torino."

~ **Public Relations:** This week the main focus was on Change for Children. We went to the Radio Stations and were invited to air for Eclipse, which we hope to add to our Friday visits. Senator R. Ramirez and Treasurer Watland filmed with Doug Maughn for Community Connection.

~ **Treasurer:** Our grant application budget is now at \$3,250, so we need to be careful how much we give out as grants. We also have a new grant application from Latinos Unidos that we need to look over for Cinco de Mayo.
