- **Off Campus-** So this week I finally got a hold of Kali. YAY! We also mailed the flyers: Elaine receive Gooding's and hung them up. She also said the CD showing may not be very effective because she has no way of running it at a continuous time length. She's also going to set up a little donation jar for the students and faculty there.

We also had our meeting with John...which went well. There we talked about the updates and plans for the future. I'm also going to e-mail Advisor Kristin Beck about what we talked about and go over some more issues as to what steps we need to start taking concerning the students of Burley as the semester progresses.

I also talked about the opportunity of the Herrett Center having a \$1.50 charge for looking through a microscope. In addition, I went into deeper discussion about "Hope for Haiti."
