 - Council Descriptions
 - *Advertising*: This committee is in charge of the Toilet Paper (our monthly newsletter on the stalls), as well as providing the calendar of events to put on our calendars.
 - *Ambassadors*: This is more of a liaison position. They relay information from Ambassadors to Senate and vice versa. They do help give tours if needed.
 - *Campus Recreation*: This position is still in the process of being changed around. We are turning it into a position to unite athletics with Senate. This person will have their own athletic committee that will unite us more with the athletes, relaying information, and showing support.
 - *Community Service*: This council is just in charge of attending the weekly meetings, giving us the information about what they are doing, and participating in any projects they can.
 - *Diversity Council*: This person will help out with the Diversity Council on campus. They are the council that puts on Rhythm of Life, International Women's Day, International Dinner, and all of those events.
 - *Eagle Hall*: This senator would serve on the Eagle Hall council and act as a liaison with information, but also help out with all of the activities.
 - *Interclub*: This senator will be the chair over Interclub. They will hold meeting biweekly and their main event is the Easter Egg Hunt in April.
 - *Off Campus Centers*: This task is a little harder. This senator will monitor the 3 Off Campus Centers to make sure that they have Feel Good Friday's, WOW Week, and other activities. They are the voice to and for Off Campus Centers.
 - *Program Board*: This position has changed since last year. This person will serve on the Executive Council and help with activities on campus and directing the Program Board members, but won't be the chair this year.
-

- *Public Relations*: This senator is our voice to the Community about events on campus. They talk on the radio weekly and work closely with Doug Maughn.
- *Sustainability*: This council needs to be somebody's baby. It is still new and in dire need of a strong foundation. The big event this council will put on is "Green Week".
- Foundation Phone Calling:
 - The 3rd week of May, foundation phone calls will be made. The phone calls are made in order to earn money for scholarships. Training for the phone-a-thon will take place Thursday May 12th at 3:30.
