Committee Reports

- Advertising
 - This week we organized “The Toilet Paper” and discussed what needed to go on it. So far for our brainstorming we have the following: The nursing student incident, Memory Walk, Dave Pelzer, Milton’s speech, the Corn Maze, and other events going on around campus. We also made the calendar with the majority of events, sports, speakers, etc. for all of the senators to use and read in their classes.
- Ambassadors
 - We had 20 people attend the retreat. On Wednesday, the first thing covered in the meeting was talking about the Ambassador shirts, jackets, and name tags. The next discussion was about what needed to be covered at the Wednesday meeting. A side note of the mock tour was to be sure to go over to the HSHS building during our tours. We discussed attendance, and decided that when you sign up for tours or meetings it is important to actually show up for them. The next thing on the agenda was discussing the first social event and getting release forms for the Ambassadors so they can participate at the CSI Ropes Course for their social. Megan was assigned to check contracts and discuss the clock in and clock out for tours.
- Athletic Connection
 - This Friday, Athletic Connection set up a booth for the volleyball team, because they had a game on Saturday. We also designed and ordered our staff shirts. We named our athletic support club ‘SCREAM TEAM’. On Sunday, the baseball team had a home game at 2 PM. On Friday and

ASCSI STUDENT SENATE Fall 2010

Saturday, the rodeo team traveled to Utah. So far

everything we have planned for the year is up and running.

- Campus Recreation
 - Activities going on this week are the Challenge Course Date Night that was Tuesday evening September 28th and the Pocatello Climbing Wall on Saturday October 2nd. Also the Banff Mountain Film Festival Radical Reels Movie Night is coming up on Tuesday October 5th 7:00 PM at the Herrett Center. Student tickets cost \$5 and non Student \$10, the Program Board purchased 100 tickets so they are available through Ted Keys at the Rec-Center for free, if you have a student identification card. They are also giving away lots of door prizes at this event. This is one of the biggest events that the Outdoor Program is sponsoring this semester so please announce this event in your classes, and that free tickets are available, and that there will be door prizes. We had 1,560 members, and the admittance to the Rec-Center was 1181 people during the week.
- Community Service
 - At this week's meeting, we talked about how we sponsored the Dave Pelzer project \$1,000. We also talked about the applications for community service funds and assistance, and they will be due on October 15th for this semester and chosen by the 20th. The Council is excited that Senate is taking on the Toilet Paper Drive.
 - We also discussed the mission statement and about working on more CSI community service, uniting and serving with the students, not just community projects.
- Diversity

ASCSI STUDENT SENATE Fall 2010

- We went shopping for food at Costco for both of our BBQ's.
On Thursday, we had our barbecue at the Blaine County Center. It was very successful. We gave away about 60 hamburgers and about 20 hot dogs. Our Blaine County Delegate, Jay, helped us by providing a barbecue grill and advertising at the center. We will be having our Burley barbecue on Wednesday, September 29th. We will need to figure out how many Senators are coming so we can plan transportation accordingly. After multiple attempts we have not been able to contact our Burley Delegate to start advertising for the Wednesday barbecue.
