

October 18, 2010

Presiding Chair: President Sheree Haggan

Conducting Chair: Vice President Jim Butler

- Call To Order: 3:52 PM
- Attendance: Senator Choate, Absent & Excused
- Guests: Dr. Jeff Fox
 - Went over the revised accreditation standards and the new oversight process that the NWCCUA will be using.
- Correspondence:
 - Received a letter from Dave Pelzer and a card from President Haggan and Mattie Macgregor.
- Agenda Approval: Passed
- Minutes Approval: Passed

Committee Reports

- Mock Report:
 - A demonstration of what a committee report should and should not look like.
- Advertising 10/11
 - We finished the October Toilet Paper and hung them up in the bathrooms. We are now starting to work on the November calendar and next month's Toilet Paper. If anyone has anything they would like to have in the Toilet Paper, please turn it in as soon as possible. All the councils with events going on in November please contact Mihreta or Aylissa and we will make sure it goes on the Calendar. Please do this soon, it's hard to find everyone so an e-mail would be great!
- Advertising 10/18
 - There is no change in the last week for the advertising council.
- Ambassadors 10/11
 - No Report
- Ambassadors 10/18
 - No Report
- Athletic Connection 10/11
 - This week we will be going to different clubs asking them for money to support the 'Read like an Eagle' project to support our student athletes. We will also be having a

guest athlete this week at our scream meeting. The scream team meeting has been changed to FRIDAYS AT FOUR and these will be weekly. This week the volleyball girls have a game on Thursday and a home game on Monday. The softball team will be traveling to Utah on Saturday. Last week was the Girls and Boys Basketball Bash on Saturday. The volleyball girls also had two games last week and they beat the Bruins.

- Athletic Connection 10/18
 - This week we advertised for men's basketball game that will take place in Jerome on the 27th of this month. We gave out "good luck" packages to the volleyball girls. On Thursday the 14th, we set up a booth at the gym and sold "dig pink" shirts, and took donations and offered free face painting for the students and community. On the 15th, we set up a booth downstairs in the Taylor Building to introduce the baseball team. They had a scrimmage on the 16th at 12:00 PM here in Twin Falls.
- Campus Recreation 10/11
 - The Outdoor Program events for last week were canceled and so are the ones for this week, due to how busy the Challenge Course has been. The outdoor Program calendar of events posters have been taken down because the events have been canceled. Once the Challenge Course is done outside, Scott Rogers and Ted Keys are going to regroup and re-plan the activities for the rest of the year.
 - Scott is working on finalizing the indoor high elements proposal so that we can continue to have the high elements part of the challenge course during the winter months.
 - The Radical Reels Film Tour was really fun and there were some amazing films. The turnout was kind of disappointing though; we gave away the 100 free tickets and had only about 50 people come. They gave away quite a few pretty nice raffle items during the intermission.
 - Intramurals are going good, dodge ball is going on and indoor soccer is starting on the 18th.
 - The Triathlon Club is also quite successful, we have a few members that come pretty much every day, and there are also still people coming for the first time to try it out. We are planning on starting a date night every month for the club in the rec-center, watching a movie on the projector and playing indoor games. The Triathlon Club will also be

ASCSI STUDENT SENATE Fall 2010

running the Turkey Trot Race to raise funds in November, and I am working on designing a design for the tee-shirts.

- The Outdoor Program is also planning on doing a date night once a month as a fundraiser. The Great Pumpkin Race is coming up at the end of October, so come do it and/or tell other people about it!
- Membership for the week was 1,673 people and admittance was 1,185. Admittance is based off of people signing in with their student IDs when they come to the gym, so the admittance is actually higher than recorded.
- Campus Recreation 10/18
 - Membership last week was 1,718 people, and admittance was 1106 people.
 - Thursday night was the Dig Pink fundraiser for an organization researching breast cancer cures. The volleyball team wore pink uniforms during their game, and also went around during the day selling "Dig Pink" tee shirts. Fifty dollars was donated at the game and more funds were raised through selling the tee shirts.
- Community Service 10/11
 - STI Night is October 12th. We're still looking for a few other Senators to be there to help. We've posted a sign-up sheet on the 'announcements' board in the office. We'll be educating about sexually transmitted infections, HIV, and how to be protected from all of the above. Thank you, Senators for helping put up posters!
 - Applications requesting help from the Community Service Council are due on October 15th and we'll have chosen our projects by the 20th.
 - Magicats, (continuing the Sheena Foundation) through Pet Smart adoption program, Always in need of foster homes for the cats, Non Profit Org., Animal cruelty, Needing to have someone to play Santa to have photos taken with Santa, Also needing a couple of elves and run the camera, Organization that helps with this receives half of the fees of the photos. This will be at pet smart the first three weekends of December from 10 AM-4 PM. (Maybe Senate will take a weekend?) Community Service Council is recruiting clubs who are interested.
- Community Service 10/18
 - Community Service applications will be extended to Oct. 22, 2010. STI was a good night, more students attended this semester. Senators went out and recruited students

ASCSI STUDENT SENATE Fall 2010

and this helped with the attendance (Thank you!). Gift

cards were a great hit this semester as well as the Sex for Dummies books. This will be a great idea for the spring semester as well.

- Diversity Council 10/11
 - No Report
- Diversity Council 10/18
 - Diversity Council is continuing to prepare for the International Dinner & Festival that will take place on Nov. 17th. Tickets are available to the first 200 students in the student activities office.
 - Diversity Council went to the ropes course Friday, October 8th as their social activity. Pictures will be available at a later date.
- Eagle Hall 10/11
 - No Report
- Eagle Hall 10/18
 - I had a meeting with Eagle Hall Council on Tuesday October 12th, at 12:30 PM. We discussed the STI/HIV event that took place later that night in the activities center in the dorms. It took place from 6:00 PM -9:00 PM. The turnout was great.
- Interclub 10/11
 - This week we worked on the agenda. We are having our next meeting next week on Tuesday.
- Interclub 10/18
 - Last week, I met with Jamie Tigue, the Physical Education Club advisor, to discuss the Halloween Carnival. This year we will be working closely with the PE club to make sure that the Halloween Carnival is successful. Interclub Council held a meeting on October 12th. We have had great attendance at all of our meetings. At the meeting we went over the Halloween Carnival. The Halloween Carnival will take place on Saturday Oct. 30th from 12:00PM -2:00 PM. We voted to have each Interclub Representatives represent only one club, it passed. This change will be added into the Interclub Guidebook upon the consent of the Student Senate.
- Off Campus Centers 10/11
 - We are planning to make a visit to the OCC locations in the next couple of weeks to put out applications for a new Burley delegate and to maybe put on a midterm function at the locations. Before planning, we need to meet with

ASCSI STUDENT SENATE Fall 2010

Treasurer Chabuka to plan our budget for the rest of the year.

- Off Campus Centers 10/18
 - This week, Alyssa worked with the budget proposal for this upcoming year. We will also be having a meeting with our delegate Jay Myers this week to figure out and brain storm some ideas and goals we want to accomplish for this year. We are also planning to have a pizza party in the Blaine county campus so we will be focusing on that this week.
- Program Board 10/11
 - Upcoming Weekly Events: Wednesday 10/13-Movie Night; Friday 10/15-Feel Good Friday. Program Board will be having the CSI Halloween Dance from 9:00 PM to 1:00 AM downstairs in the CSI Student Union Building.
- Program Board 10/18
 - This week's events: Tuesday 10/19 Bowling Night 10:00; Friday 10/22 Feel Good Friday 11:00-2:00. The annual CSI Halloween Dance is Friday, October 29th, from 9:00PM-1:00AM in the Student Union Building. If you are interested in helping with setup and decorating please let me know and I can get you all the information you need to be involved with such.
- Public Relations 10/11
 - This week Mary, Doug Maughan, and I all went to the radio stations on Thursday and Friday. We announced the Corn Maze, Almost Maine, the 'Fly Like an Eagle' golf tournament, and the Arts on Tour "Master of the Fiddle". We plan on going to the same places next week and announcing the upcoming events. We will be typing up more mass emails and we will be announcing more upcoming events.
- Public Relations 10/18
 - This week Doug, Tysha, and Mary attended the Locally Owned, Townsquare Media, and the BUZZ radio stations to discuss the Masters of the Fiddle event that will be occurring at the Fine Arts on Monday, October 18 at 7:30 PM. Donnell Leahy and Natalie McMaster are world renowned musicians and this audience should be large. Also, we reminded everyone that the corn maze is open throughout the month of October. Also, we added the Nicole Knobbe Benefit Dinner to the CSI Homepage. Nicole was in the RN program and passed away in a car accident, and the money will be used to help her sons. The dinner

ASCSI STUDENT SENATE Fall 2010

costs \$25 at Canyon Crest. Please buy your tickets in advance if possible through Canyon Crest or by calling Amanda at 358-1909.

- Sustainability 10/11
 - This week Senator Abdullaev was gone for a debate tournament. The meeting was still held on Friday at 5:00 PM, and it was conducted by the co-chair, which would be me. This week we discussed the ceremony that will be held in the Health Sciences and Human Services building. The date will be decided on our special meeting this month. We will be having our special meeting this Tuesday at 1:00 PM in the Shields Building room 201. Anyone is welcome to drop in.
- Sustainability 10/18
 - Sustainability Council had a special meeting with the faculty and staff where we decided on three main projects for this month. On October 20th, Aramark is doing Sustainability Day, where you will be able to get a green meal and some information about the food. On October 21st the Idaho Power is going to conduct a workshop on how to reduce the electricity bill and powering homes with alternative energy. On Friday we had a group meeting where we had a couple of guest speakers. We are excited about our upcoming events and looking forward to the successful semester.
- Treasurer's Report
 - I will be updating the budget every two weeks, so we can see what is happening.

Old Business

- Optimist Club & Senate Community Service:
 - Thank you to all senators who have helped with the construction of the haunted house. This project is being considered our September and October community service events so it is important for those of you who haven't helped to get involved. Now it is time to advertise. I will send every senator an email about some things that I would like you to help me with.
- Triangulation:
 - It is incredibly unprofessional to not directly address the person that you have a concern with. If you have an issue with someone, address that person and do not talk behind

that persons back to someone else. If we have any issues with gossip or talking negatively about someone, it will result in automatic termination.

- Office Hours & Expectations:
 - I expect you to perform your office hours, in the office. Check your cubbies for any posters we want you to hang up. Make sure that you are dressing appropriately. Read through the expectations sheet that I gave you at the start of your term to make sure that you are doing everything I expect. Also, make sure that you are getting the proper amount of sleep. Otherwise, you will be tired and not very productive.
 - Please link my status on facebook to go directly to your phone. That way it's easier for me to update you about everything.
- Halloween Carnival:
 - Thank you Senator Ochoa and Senator Anderberg for volunteering to coordinate the Halloween Carnival event on October 30th.
- Change For Children:
 - Please put talent suggestions in the box outside of the Treasurer and Secretary office.
- Athletic Connection Ambassadors:
 - I'm not sure if you guys are willing to take on the project of seating. Let's meet with Joel Bate to talk more about this.
- Note from Senator Federico:
 - A student addressed an issue of our meetings being unprofessional in the aspect of speaking out of turn. We need to make sure that we are attentive and respectful during the meeting, so that it is informative.

New Business

- Interclub Guide Book:
 - At our last meeting, we proposed an amendment to make it mandatory for each representative to represent one club. This will help prevent confusion in voting and make it fairer for other councils. The majority approved this amendment. It must go through the Student Senate as well. It passed with a 2/3 majority. For the most part, the people opposing were "guilty" of representing more than one club. The changes to the interclub guidebook were approved unanimously on motion by Senator Hernandez.
- Toilet Paper Drive:

ASCSI STUDENT SENATE Fall 2010

- We have decided to approach each club to request money to donate towards toilet paper. Senator Tapia and Senator Hernandez will post a list of all of the clubs and we expect each of you to choose a few clubs to address. Just get a “yes” or “no” from the club and we will take that out of their funds electronically and then go purchase the toilet paper. These “yes” or “no’s” will be due by October 29th.
- Alert System:
 - We need to get notice out about the alert system. Thank you Senator Guity, Senator Coakley, and Treasurer Chabuka for volunteering to coordinate a campaign.
- Grade Reports:
 - Please make sure you pick up one grade report sheet for every class that you are enrolled in. Have your teacher fill it out by Thursday and get those handed in to Advisor Stanley. If you are enrolled in an online class, just ask and we can get an electronic copy sent to you.
- Boys & Girls Club Banner:
 - The motion was made to approve the donation of \$300 to support the Boys & Girls Club through the purchase of a banner, by Senator Guevara. It was passed unanimously.

Executive Reports

- Vice President’s Report:
 - If you are interested in looking over the end of the year report please ask President Haggan or myself to see them.
 - Thank you Senator Carlisle for making a motion about the Toilet Paper Drive, and Senator Guevara for making a motion as well. Thank you for understanding Parliamentary Procedure. Implement Parliamentary Procedure and don’t talk while someone else is talking.
 - We are all very disappointed in the way that you guys are treating each other. I expect so much more from you guys. Don’t say anything disrespectful to people.
- President’s Report:
 - Thank you for all of your help with Dave Pelzer. We are still waiting on some late donations, but we should have a total soon.
 - We are going to be in charge of the talent portion of the Nursing student benefit. We need to work on advertising. Make announcements in your classes and explain that the money goes to the boys trust funds.

ASCSI STUDENT SENATE Fall 2010

- Don't forget to turn in your ideas for core themes to me to get to Dr. Fox by October 30th.
- Advisor's Report:
 - Thank you President Haggan for coming with me to talk on the radio about bullying on campus.
 - Thank you Senator Coakley for doing a great job updating the facebook.
 - Thanks you Senator Anderberg for getting the project of the bulletin boards taken care of!
 - Thank you Senator Jam for being so willing to attend the Board Meeting tonight at 6pm.
 - Don't forget about Bob Hall coming to speak on Tuesday October 26th. Our private meeting for Student Organizations will be at 3 PM in SUB 276/277.

Adjourned on motion by **Senator Hernandez** at **6:02 PM**
