## Announcements:

- Create Link
  - **Sammi addressed that the career center is going to work with us and do a TruTalent personality test with each one of us to go in depth about how everyone works and how we can best execute our biggest strengths and weaknesses together and better work with each other.**
- Grade Checks
  - **Jason is accepting grade checks till Wednesday October 9<sup>th</sup>.**

## Guest Speakers:

- Eric from HR
  - **CSI is reviewing policies over the whole campus and Eric relayed to us the changes that would affect the students. Animals on campus was in issue due those feeling anxiety around pet's and cleanliness. Pets are no longer allowed in buildings, near the Rec Center, or on sports fields. Service and comfort animals are still allowed but must be a certified animal. They are will continue to be allowed on public places as long as they're on a leash, the owner cleans up after the animal and still follow city regulations that follow. This was the only significant change. There were also changes to the smoke free campus policy, public record requests, rate of reimbursements, and performance standards for employees.**
- Laird Stone
  - **Laird Stone went through Robert's Rules briefly and gave us a cheat sheet of how procedures work.**

Approval of Agenda: Angel moved to approve today's agenda and was seconded by Isaac. Passed with a unanimous vote at 4:25

Approval of Minutes: Braydon moved to accept last week's agenda and was seconded by Angel and was passed with a unanimous vote at 4:28.

## UNFINISHED BUSINESS

- Polo's, tags, plates
  - Everything in the bill remained the same except the jackets. Skylar moved the expenditure up to \$650 for the purpose of purchasing polo's, name tags, and plates from the student senate budget. Braydon seconded at 4:33

## NEW BUSINESS

- Better exam preparations
  - Mo would like to set up a collaborative event to give students better skills they can take from anything online to doing the exam on paper. Marissa suggested running an event that collaborates with the tutoring center, Marissa also suggested the Mo talks to Jaqueline King. With an event like this is could push different areas of study.
- Senate Report Dates
  - Our weekly senate reports are to start on Saturday so we'll make the change on the format of the weekly reports so it doesn't bring confusion. Senate brought up the possible change to the bylaws of having a more broad area of getting office hours on Saturdays rather than it just being CSI ran events

## COUNCIL/COMMITTEE REPORTS (Upcoming Events)

- Social Committee
  - Skylar: We settled setting up a Poll on GroupMe to get a general consensus of when people are able to go and then further plans will be made.
- Diversity
  - Hasan: November 1<sup>st</sup> is Dias Los
- IT Committee
  - Marissa: I.T. has access to updating and posting on social media but we need a general consensus where we can put events so we can all access them.
- Program Board
  - Isaac: Movie night Thursday October 10th at 6:30pm showing Jexi. Tickets are at the student affairs office and each CSI student is allowed 1 guest that doesn't have to be a student.
- Off-Campus
  - Angel: Mini Cassia Transfer fair is the October the 16<sup>th</sup> from 4-7pm. Different Universities and information about FASFA will be given. Coordinator asked senators to talk to speakers and interact with students,

## EXECUTIVE REPORTS

- President Sammi Sanchez: **There wasn't a response with email with Doug our photographer so I'm just going to talk to Kim his boss and see if I can get that figured out. I need a sketch of what the wall will look like so I can give to maintenance to carry on plans with what we want to do with the room.**
- Vice President Nicole Jones: **Reports looked great but try not to be so vague so rules committee can decide clearly.**
- Secretary:
- Treasurer: **We are waiting on the numbers that all councils requested. It should be around the same numbers and shouldn't be any surprises.**
- Advisor Jason Ostrowski:
- Board of Trustees Liaison Laird Stone:
