FINANCIAL OPPORTUNITIES

Paid Survey for Students with Disabilities

Boise State University is conducting a research study about the experiences of current Idaho college students with disabilities at public colleges and universities.

Participants will complete an online questionnaire composed of six open-ended questions that will take 7-20 minutes to complete. Participants who complete the questionnaire will have the choice to opt-in to a raffle for a \$10 gift card.

Participants who volunteer and are selected for the focus group will receive an additional \$25 gift card. By participating in the study, students will be able to share their experiences and potentially inform programs, practices, and policies that

impact students with disabilities.
For students who participate in
the focus group, students may
be able to find connection
through sharing experiences
with peers in their regions.

If you meet the requirements
and would like to participate,
please complete the
questionnaire using this link

A photograph of a young child with short brown hair, wearing a blue long-sleeved shirt and grey pants, is crouched on a light-colored floor. The child is focused on playing with several colorful toys, including a red and orange stacking ring and a yellow and green stacking ring. The background is a bright, out-of-focus indoor setting.
