## FINANCIAL OPPORTUNITIES

### Paid Survey for Students with Disabilities

Boise State University is conducting a research study about the experiences of current Idaho college students with disabilities at public colleges and universities.

Participants will complete an **online** questionnaire composed of six open-ended questions that will take 7-20 minutes to complete.

Participants who complete the questionnaire will have the choice to opt-in to a raffle for a \$10 gift card.

Participants who volunteer and are selected for the focus group will receive an additional \$25 gift card.

By participating in the study, students will be able to share their experiences and

potentially inform programs, practices, and policies that impact students with disabilities. For students who participate in the focus group, students may be able to find connection through sharing experiences with peers in their regions.

If you meet the requirements and would like to participate, please complete the questionnaire using this link [\(here\)](#).
