April is Community College Month.

In celebration we would like to spotlight our Golden Eagles!

**Name:** Julianna Barr

Major: Digital Media

**What brought you to CSI?**

I chose CSI due to the locality of it. I live in Twin Falls so due to the college being so close it was perfect for my work and schooling combo. Also CSI offered a great program that fits my interests, the digital media program. Plus all of the staff is so supporting and dedicated to helping lost students.

**What do you enjoy about CSI?**

Well my digital media professors are just awesome, in both teaching and support. Also my last year here I joined Program Board as one of their marketing directors and it has been so fun to work together with events and poster work for CSI students to enjoy. Such a fun council!

# Community College Month Spotlight

**Name:** Ellie Saxton

Major: Digital Media

**What brought you to CSI?**

I have lived in Twin Falls my entire life so CSI has always been the logical next step for me.

**What do you enjoy about CSI?**

I love all of the people that I've gotten the opportunity to meet!

# Community College Month Spotlight

**Name:** Jaina Aydelotte

Major: Liberal Arts

**What brought you to CSI?**

Mostly because of my

siblings that also went to college along with my mom and dad.

The reason I chose CSI is that it is not to far from home, where I tend to get home sick often.

### What do you enjoy about CSI?

It is just getting the help I need and having friends also.
