 Aspira Consulting

At Aspira Consulting we get it because we lived it! As former first-generation students, first- and second-generation professionals, we've navigated career setbacks, merged our personal and professional paths, and emerged with a deep commitment to helping others do the same. Today, we deliver transformative career and leadership training programs that empower students to embrace their lived experiences and turn challenges into compelling career narratives. Our training model is grounded in the belief that self-confidence is key and we help students build it as they prepare to thrive in the workforce.

confidence and career skills through Aspira Consulting's workshops.

Exploring the Myth of Balance as a Nontraditional Student

Wednesday, October 15th
 6:00 PM

Twin Falls Campus: Canyon Building room 123F
 Mini Cassia Campus: Room A11

This interactive workshop challenges the common myth of balance and invites students to explore more practical and compassionate approaches to managing competing demands. Together, we will discuss strategies for prioritizing, setting boundaries, and reframing success in ways that reflect the real lives of adult learners. Participants

will leave with tools and perspectives to navigate their unique journeys with less guilt and more confidence.
