MILITARY VETERANS NEWSLETTER

2022 FALL EDITION

ON THE FRONTLINES...

College of Southern is leading the way as a Military friendly higher learning institute. CSI recognizes, honors, and serves its Military connected and Veteran students. We want to give special appreciation to Eli Thompson. Eli is a Navy Veteran who chose CSI to seek his degree. Recognizing Eli's aptitude as a student leader, CSI offered Eli gainful employment in CSI's Welding Program department.

The College of Southern Idaho stands proud to honor all Military connected and Veterans students.

This is one of many success stories you'll find here at CSI.
